THE ATHENIAN

1955

Dedication

We dedicate this book to all the people at C.H.S. who have guided us and been our companions—our teachers, our friends, and our parents. To them goes our heartfelt thanks for giving us "the best years of our lives."

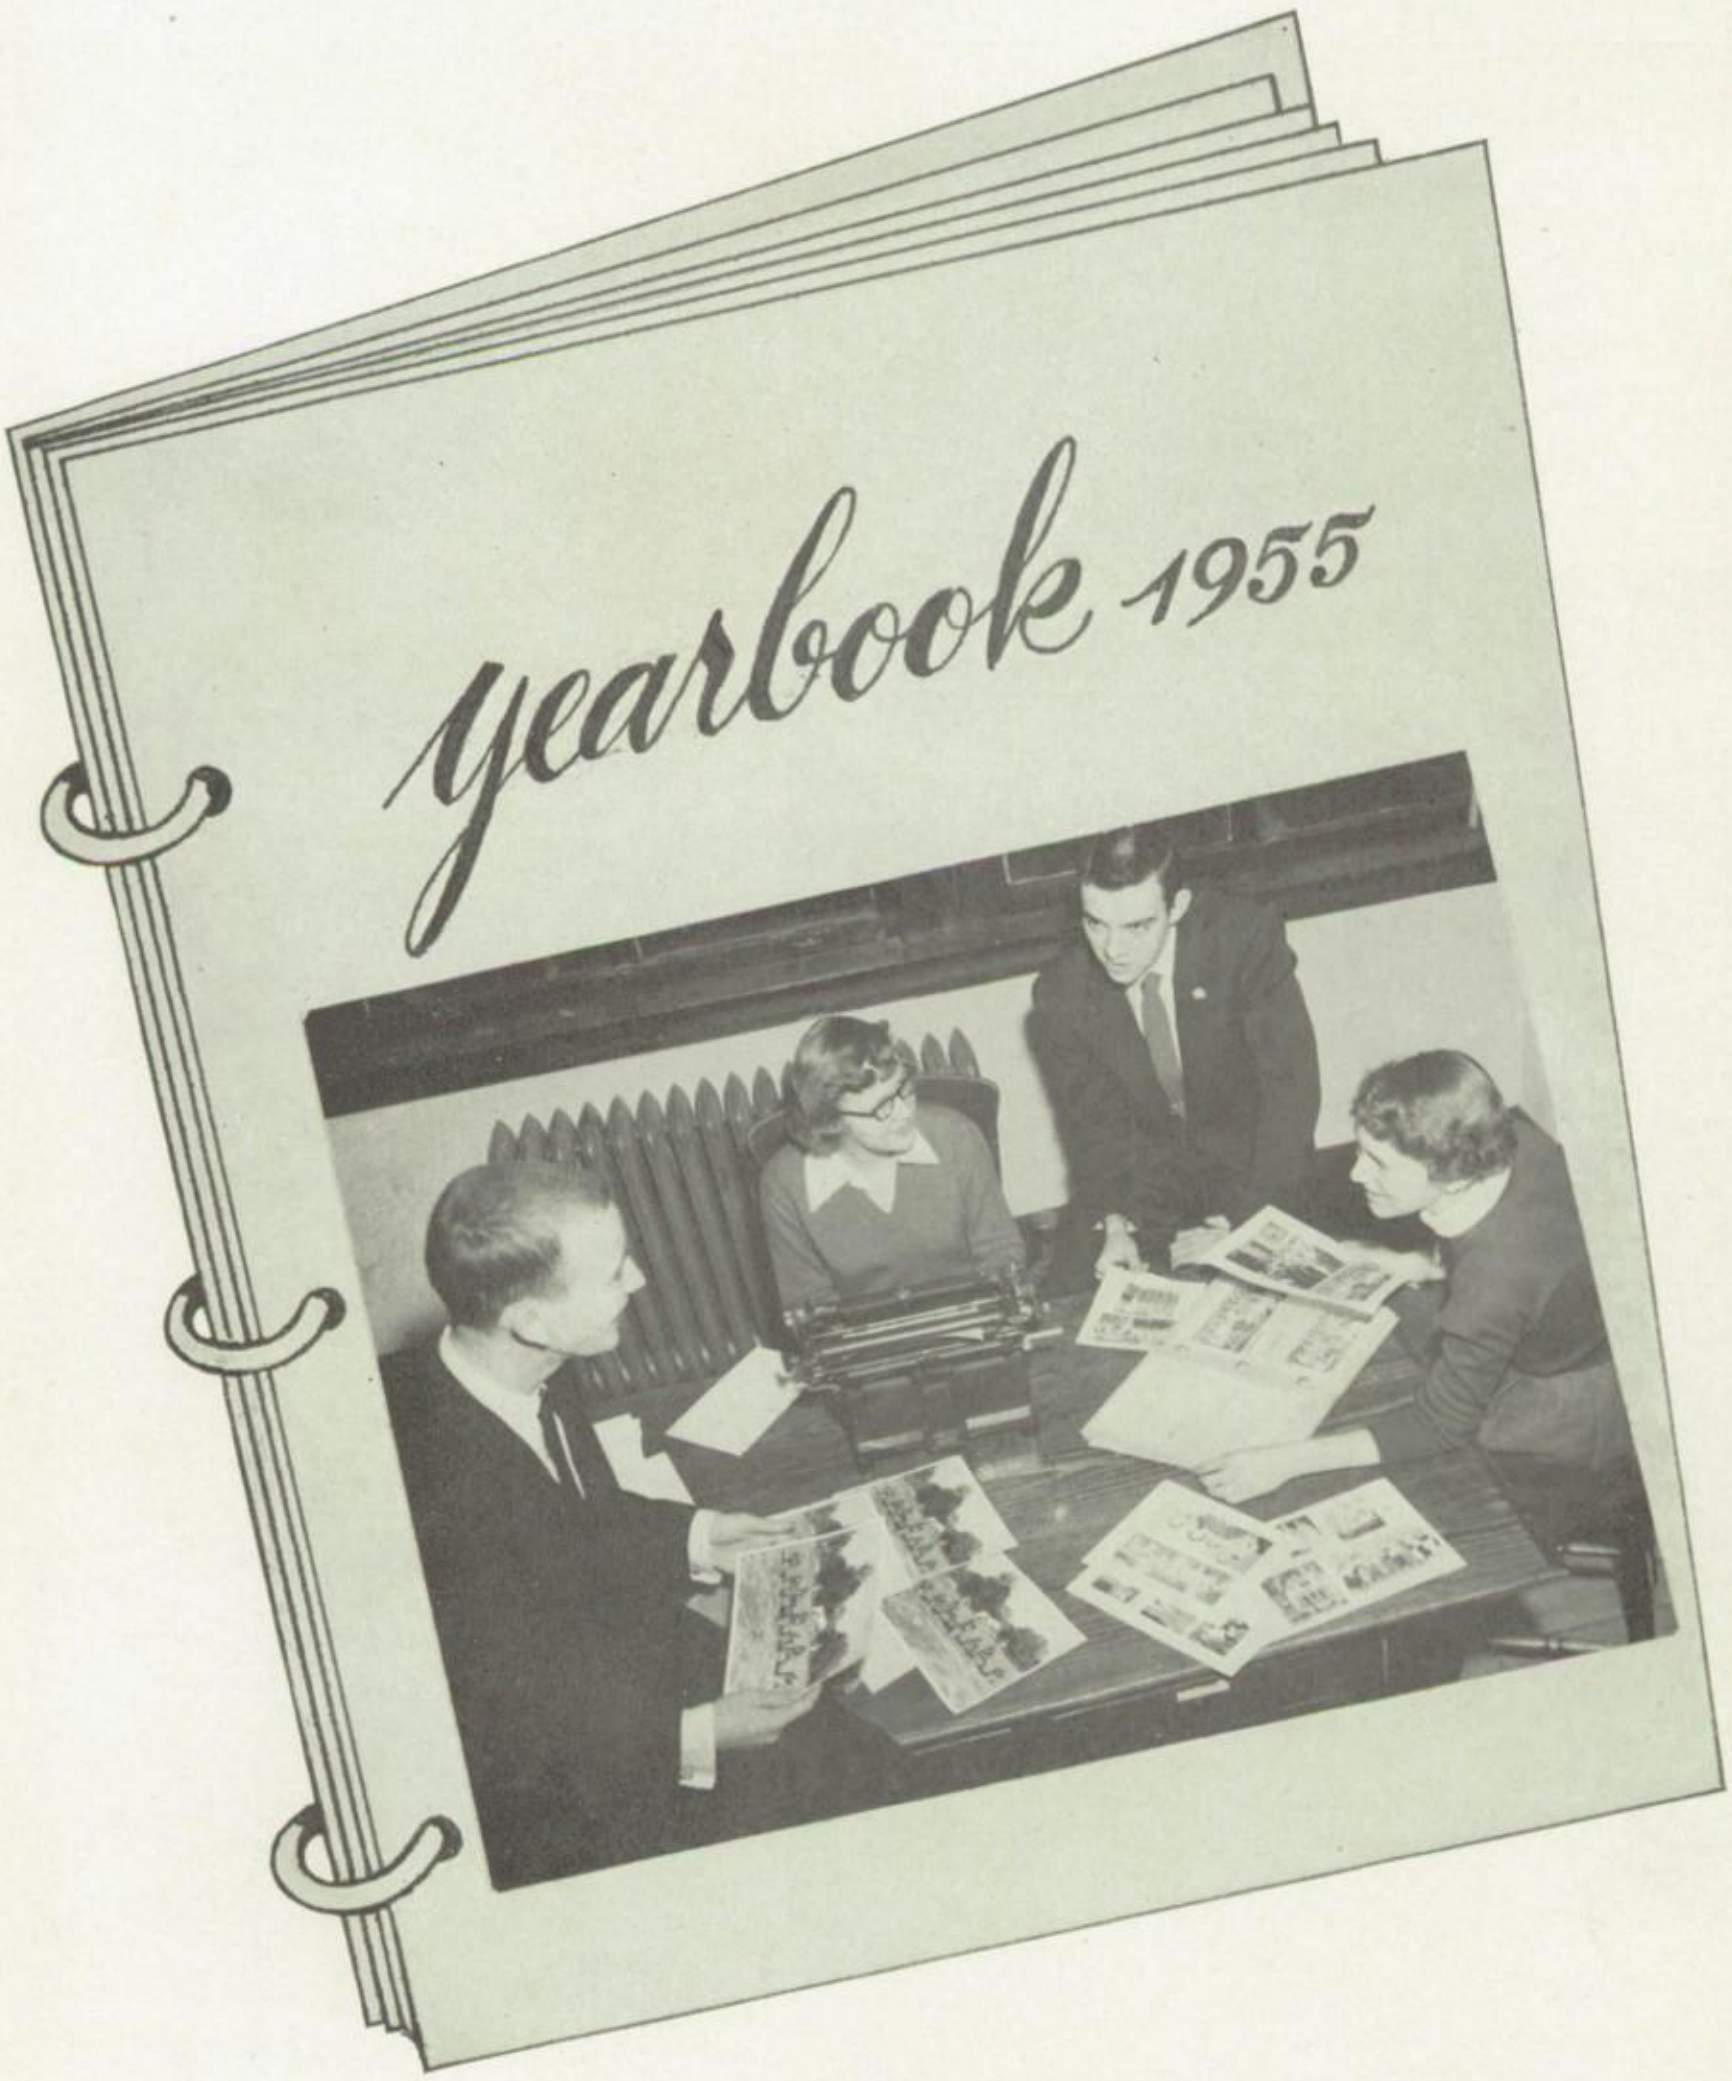
the 1955 ATHENIAN



CRAWFORDSVILLE, INDIANA

"Curtain

Going Up"

When the middle of August rolled around and we were still thinking about summer vacation (definitely not about school) our mothers startled us out of our sunburnt reveries with the question, "Don't you think you'd better go to the bookstore and get your booklist?"

From then on even though we pretended to dislike school, our topics of conversation centered around buying new books, trading off our old ones, and buying those coveted class cords.

Then with our plans only half completed, *that* day dawned *much* too bright and

early. Even though the start of school was "old hat" to the seniors, they were as anxious as the underclassmen to renew old acquaintances and discuss the summer's events, not to mention show off their new senior cords.

Of course, the first day was merely organization, but the second day brought to us the full realization that school *had begun.* (Just ask the seniors about their autobiographies!)

But still, school is not all work and no play. That first Friday our football team

began its eight game season by beating Noblesville. This was the beginning of a rather fine season which ended with a 5 win and 3 loss record. As usual Homecoming highlighted the season with the competition between our classes and organizations for the trophy awarded for the best float and walking group. Susie Cunningham, whom we elected as queen, and her attendants reigned over the dance that climaxed the festivities.

At last! . . . Our first vacation . . . Teachers Institute was held during the latter part of October. When we returned from our few days of rest (?) we signed up for our season basketball tickets.

A few weeks later we anxiously awaited the outcome of our parents' discussions with our teachers at open house. We hoped for the best, but expected the worst!

The next week the county students joined us for the Montgomery County College Guidence Day.

A highlight of the Christmas season was the annual Sunshine Christmas Ball which had as its theme "Silver Bells." A two-week vacation followed the annual Christmas program presented by the Senior high chorus.

January, our midwinter slump, was brightened by the change of semesters.

Every Saturday in February seemed to be set aside for something special. Very early on the Saturday morning of February 5 five bus loads of music students traveled to Greencastle for the District Solo and En-

semble Contest. Of this group, over 80 first place ribbons were brought home!

The next Saturday our wrestling squad won the sectional meet at Lafayette! Then the following week they placed seventh in the state meet at Bloomington! This same Saturday the first place winners in the District Music Contest want to All State at Indianapolis.

The Saturday of the twenty-sixth was THE day in the history of C. H. S.! After seven years we finally won a sectional basketball tournament! With incomparable enthusiasm and humble pride we "backed our boys" all the way through the Regional victory at Covington and the defeat by Gary Roosevelt in the Semi-Finals at Lafayette.

On Friday March 25 all our choral stutents from grades ten through twelve went to Greencastle for the District Choral Fes-

tival. With six other schools we practiced the songs we'd learned in chorus all year and that evening gave a rather impressive program for the public.

Finally Easter vacation arrived with an extra day added for our exceptional basketball season! For most of us it was an excellent opportunity for catching up on our sleep and finishing up those little odd jobs that had collected since Christmas!

The Annual Junior-Senior Banquet was held on Friday, March 15 and was another

successful and impressive affair.

Then on April 29, after long hard work under the direction of Miss Scarseth, the seniors presented *CAPTAIN APPLEJACK*, a play a little different from any other presented at C. H. S.

The annual spring music festival featuring both Junior and Senior bands and choral groups under the direction of Miss Canine and Mr. Spaulding was held in the gym on May 6.

The Junior-Senior prom, which was anxiously awaited and planned (and saved for!) was finally held on May 14 in the gym. The elegant decorations were centered around the theme of *STARDUST*.

Baccalaureate and Commencement were soon over and the seniors held the proof that

they had completed their high school career. The underclassmen, however, did not breathe a sigh of relief until the third of June had passed and they were free from books and teachers for three months. The final week black boards were erased, final grades issued, and lockers cleared of the debris that had collected in them during the year.

The seniors looked down the now deserted halls and realized that when fall came around they wouldn't be coming back.

With mixed emotions we recalled the insignificant—yet somehow significant incidents which were part of our daily routine. Now they suddenly have assumed greater significance. The banging of locker doors . . . the last minute rush to home room . . . the strains of the organ drifting through the building . . . the dancing in the auditorium . . . the 7th hour conferences with

"Senior Daze"

Mr. Darst . . . and the exuberant departure from school at the end of the day.

To seniors these experiences have ended. such things as Bacalaureatte and Commencement are over and though we feel that an era has ended—there lies before us new worlds to conquer; challenges which will exercise the knowledge we have gained in Crawfordsville High School.

Soon the members of the class of '55 will spread to the many areas of the country. The 164 members will go on to college, join the army, get married, or find jobs—demonstrating the fact that Commencement is not only the day of graduation but also a beginning, and that our diplomas serve as a passport to the future.

As we had "entered to learn" six years ago, the class of 1955 now will "go forth to serve!"

"The Cast"

Administration

Mr. Darst became principal of Crawfordsville Senior High in 1949, the same year as we seniors entered the seventh grade. By the time we were in senior high we recognized him as a lively personality who was always available to offer a logical solution to any problems we might have.

Mr. McCullough has served in the capacity of junior high school principal for the past six years. Prior to this he was our basketball coach and a teacher. To him falls the responsibility of directing junior high activities.

Mr. Eve, as superintendent of city schools, determines and maintains policies, serves as a contact between the school board, the teachers of the city school system.

Administrative Aids

Miss Patricia Pritchett (2nd from left), and Miss Mary Bowers (3rd from left), have the endless task of running the superintendents office. They have many secretarial duties to perform for the city school's administration.

By the same measure, Miss Patricia Runyon (left), and Miss Dorthea Knight (right), take care of the similar responsibilities for the principal's office. They assist Mr. McCullough and Mr. Darst in the signing of blue slips, keeping files, and the many other small but necessary jobs that help Crawfordsville High School run smoothly.

School Board

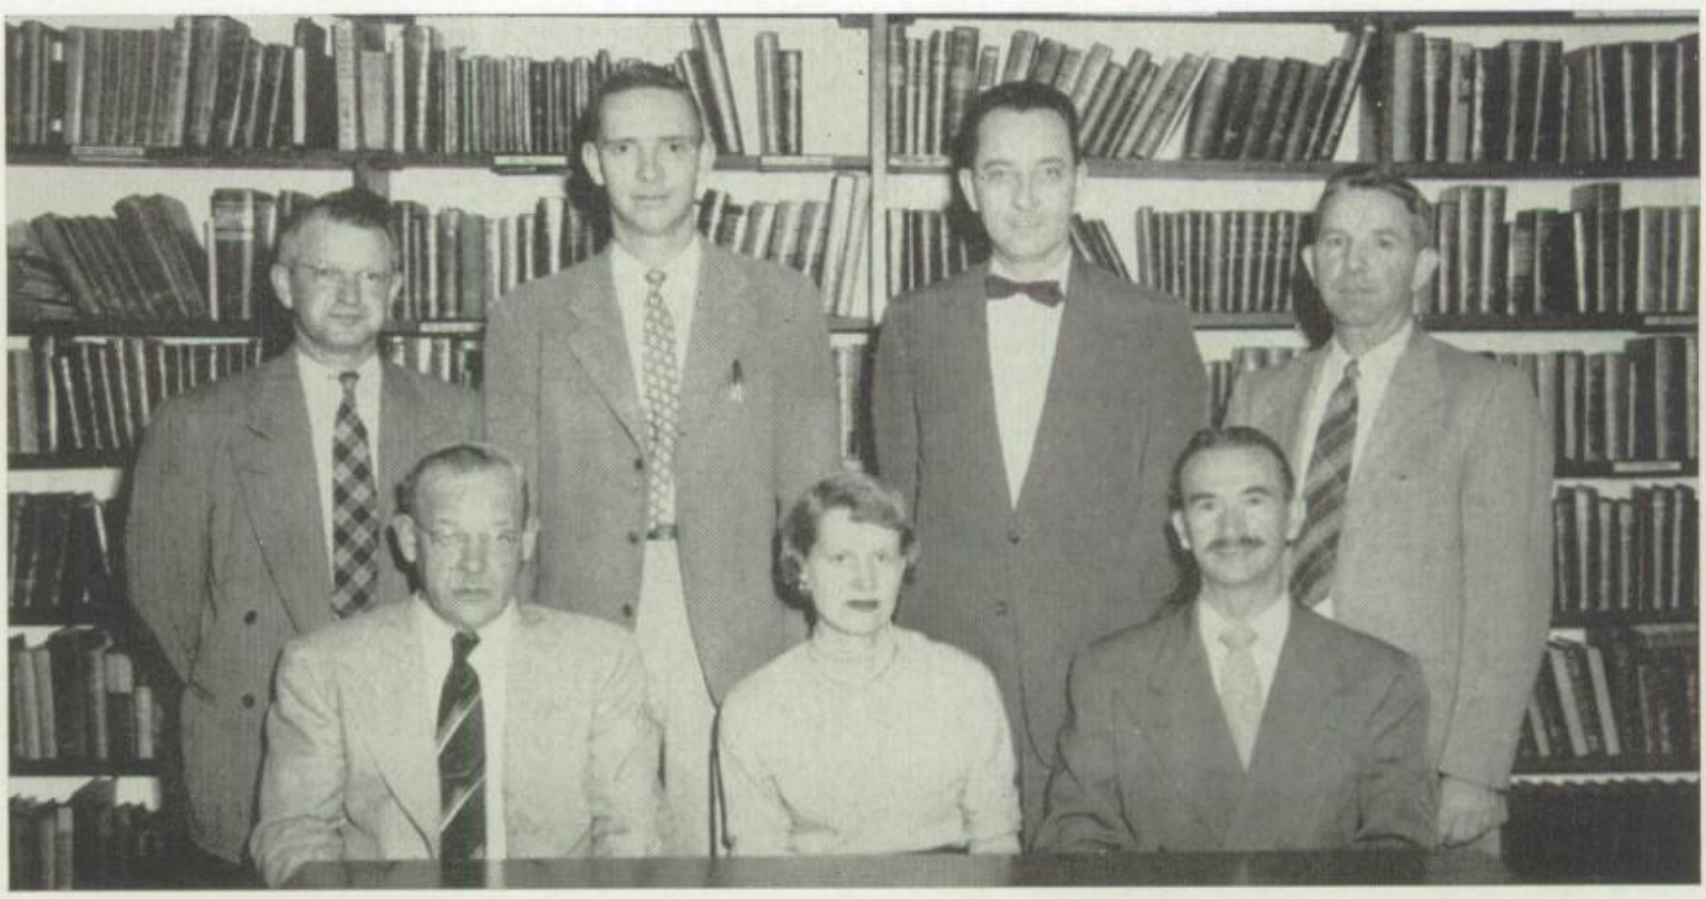
The Board of Education is a body of civic minded citizens of Crawfordsville who are elected to serve the school city by the city council. They set the policies which the students and teachers of CHS follow. Seated (left to right): *Hugo Prince, Mrs. Robert Harvey, Gregory Layne, Robert Hunt, Dale Davis.*

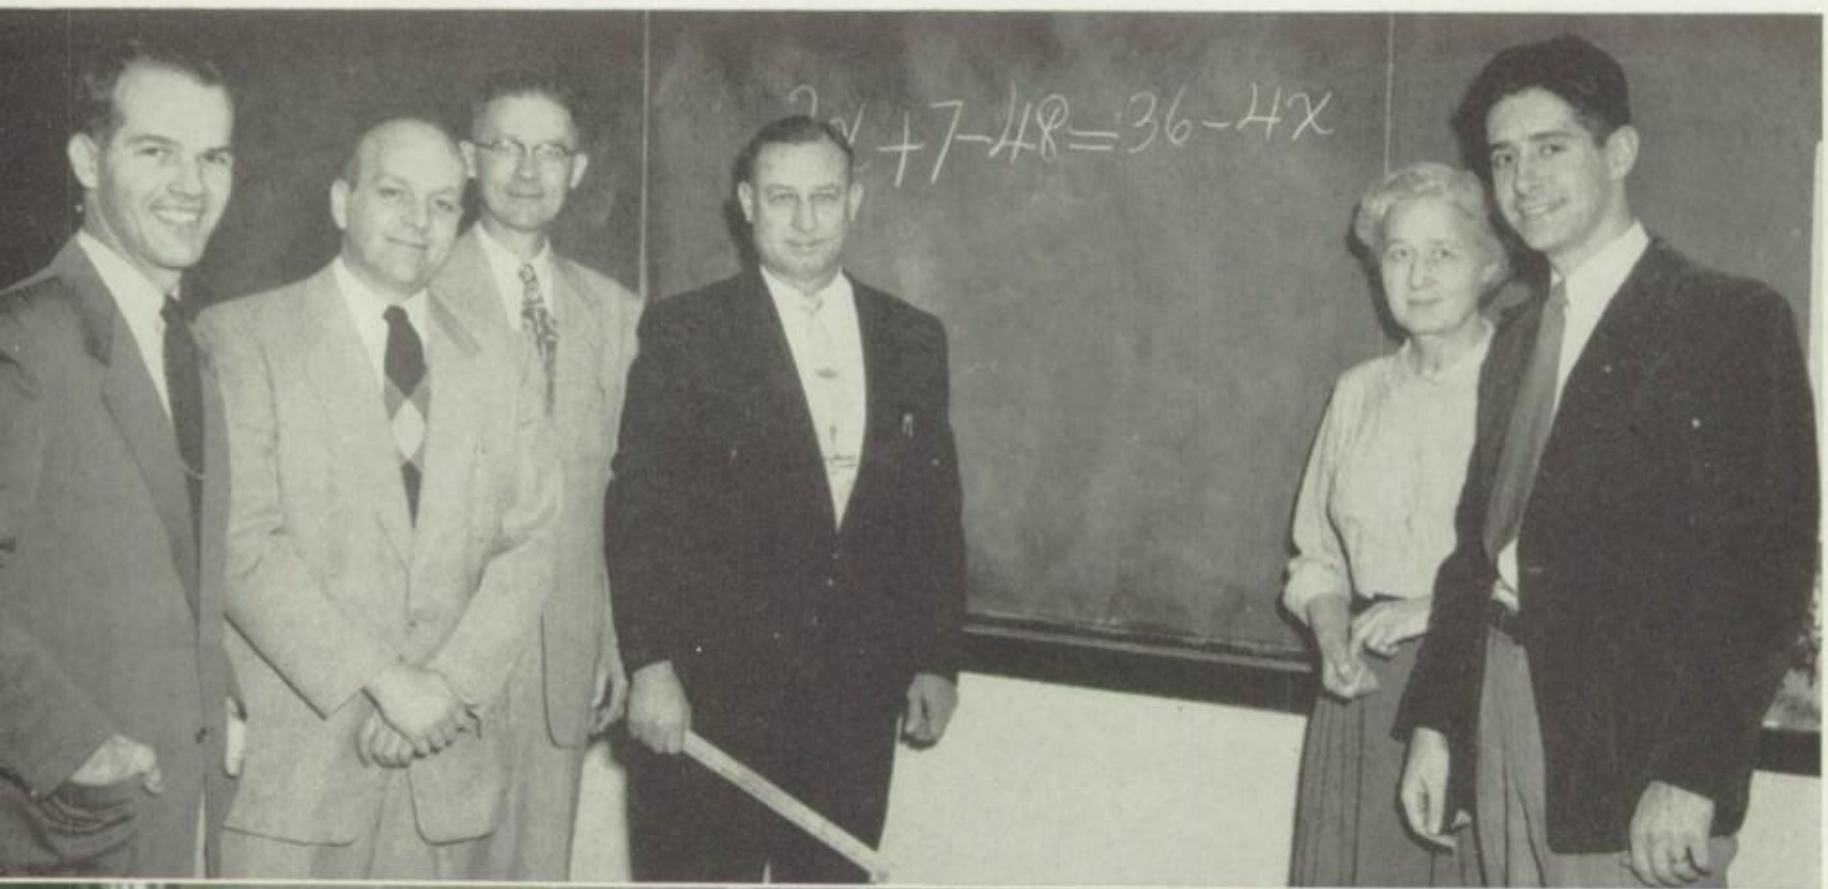
English Department

Seated, left to right—Mrs. Esther Fadner, Mr. Hinton Grider, Miss Mary Mildred Schweitzer, Mr. Carl Jackson Scott, Miss Mary Scarseth. *Standing, left to right*—Mr. Richard Payne, Miss Janet Brucker, Mr. Arthur, Miss Julia Wilson, Mrs. Rosella Bartkiewicz, Miss Mary Guilliams, Mrs. Ione Strum.

Social Studies Department

Seated, left to right—Mr. George Burns, Miss Grace Baldwin, Mr. Owen Crecelius. *Standing, left to right*—Mr. Byron Grater, Mr. Eugene Cloncs, Mr. J. C. LaFollette, Mr. Lloyd Chase.



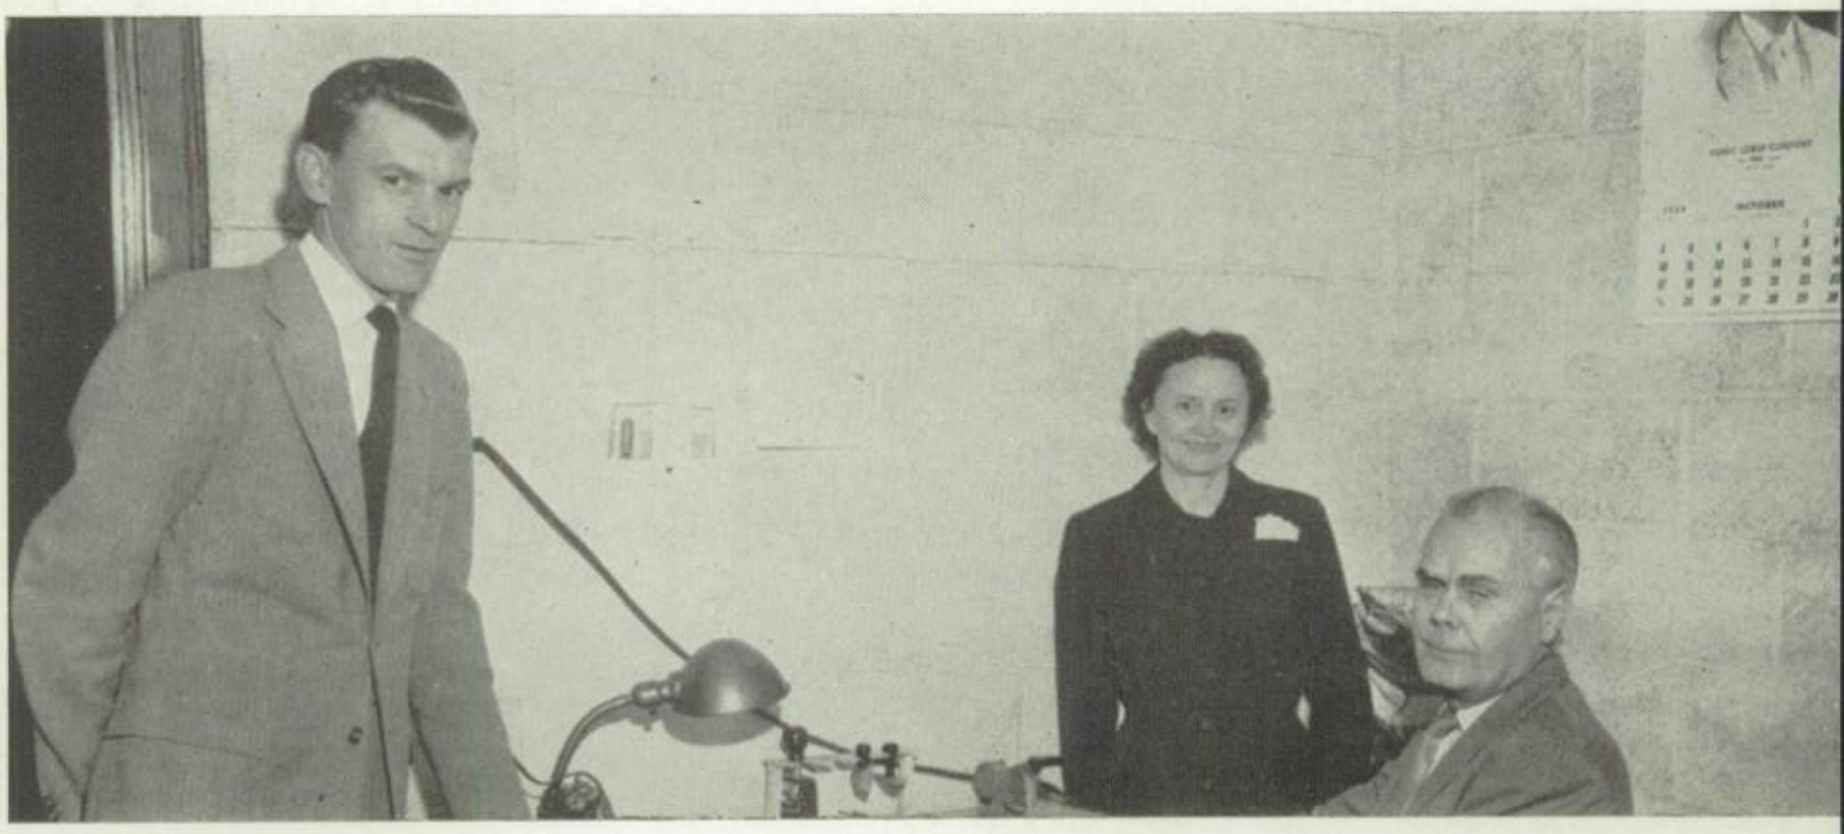


Mathematics Department

The school's mathematics department follows the student through most of his schooling in CHS. Starting with the more elementary courses of arithmetic in the seventh and eighth grades, the student expands to algebra, geometry, trigonometry, and the other more advanced math courses. Pictures, *left to right* are Mr. Kenneth Tatlock, Mr. Richard Auer. Mr. Merrill Tharp, Mr. D. C. Graham, Miss Estelle Heeter, Mr. Robert Wilson.

Science Department

The science department strives to teach the student the basic fundamentals of beginning biology, physics, and chemistry and also a few of the more advanced points. A course in junior high general science is another job which is accomplished by this group. Science instructor's are, *left to right,* Mr. David Wells, Mr. Gerald DeWitt, Mr. Emmett Stout, Mr. Joseph Hamrick.



Business Education Department

To give the student an understanding of business procedures is the aim of this department. Typing and shorthand instructors are Mr. Owen Stine, *left,* and Mrs. Lucille Reddish, *center. Seated* is Mr. Charles Young, bookkeeping instructor.

Industrial Arts Department

This department teaches students the basic fundamentals of printing, woodworking, machinery, mechanical drawing, metal work, and electricity. The instructors are, *left to right,* Mr. Carl Helms, Mr. George McClure, Mr. Claude Hartman, Mr. Donald Hayes.

Home Economics Department

As the industrial arts courses are to the boys, the homemaking classes teach the girls the latest methods of cooking, sewing, and other homemaking skills. The three instructors in this department are, *left to right,* Miss Janet Brucker, Mrs. Iona Kimbrell, Mrs. Barbara Jane Stouder.

Music and Art Department

Miss Margaret Canine, *left,* choral director, and Mr. Vernon Spaulding, *center,* band director, direct the courses in music appreciation and theory. The art classes are taught by Miss Catherin Martin, *right.*

Physical Education Department

Instructors for the girl's and boy's physical education classes are, *left to right,* Miss Anna Williams, Mr. Robert Hoke, Miss Dixie Lee Starh, and Mr. John McCormick. The aim of this department is to contribute to the fullest extent to the growth and development of the student's physical, mental, and social qualities through wholesome body activity.

SENIORS

The Senior Home Room was bursting at the seams with the largest Senior class in the history of Crawfordsville High School. 164 Seniors not only filled the traditional Home Room 203, but expanded into Room 200 which was easily stocked with the A's, B's, and C's of the class of '55. Mr. Hoke and Mr. Crecelius continued their task as Senior Class home room advisors, while Mr. Wells became an advisor for the first time. Since the first bell of the morning was moved up to 7:55 and the tardy bell didn't ring until 8:15, the traditional senior hall more than ever became the location of mass gatherings and slow-moving congestion. Class meetings during home room period became a frequent occurrence too.

The officers of the class of 1955, elected early in the fall, were: Jack Walker, president; Joe Allen, vice-president; Marilyn Todd, secretary; and Dick Dulin, treasurer.

Another elected body of the senior class was the advisory board which served as the legislative group. Its members, elected by the class early in the school year, were: Marilyn Todd, Jack Walker, Joe Allen, Susie Cunningham, Carolyn Hudson, Betsey Harvey, Rochelle Roche, Jerry Walker, John Horner, Dick Dulin, Jim Showalter, Bill Balch, Jonell Otterman, Ed Scaggs. Problems which were not significant enough to be discussed by the entire class and yet were important, were usually solved by the advisory board.

JUNIORS

The class of 1956 expanded as rapidly as the other classes, in fact next year's senior class should break the record set by the Class of 1955. The entire upper hall on the east side of the building was occupied as Junior Home Rooms.

Chuck Cottingham was elected by the class as their president for the school year and Larry Weingartner was elected vice-president. Peggy Covey was secretary and Mryna Myers took up the treasurer's duties. Mr. Tatlock and Mr. Grater served as the class's faculty advisers.

The junior class has an advisory board similar to that of the senior class. The advisory board is pictured below in the usual meeting place, the lunchroom.

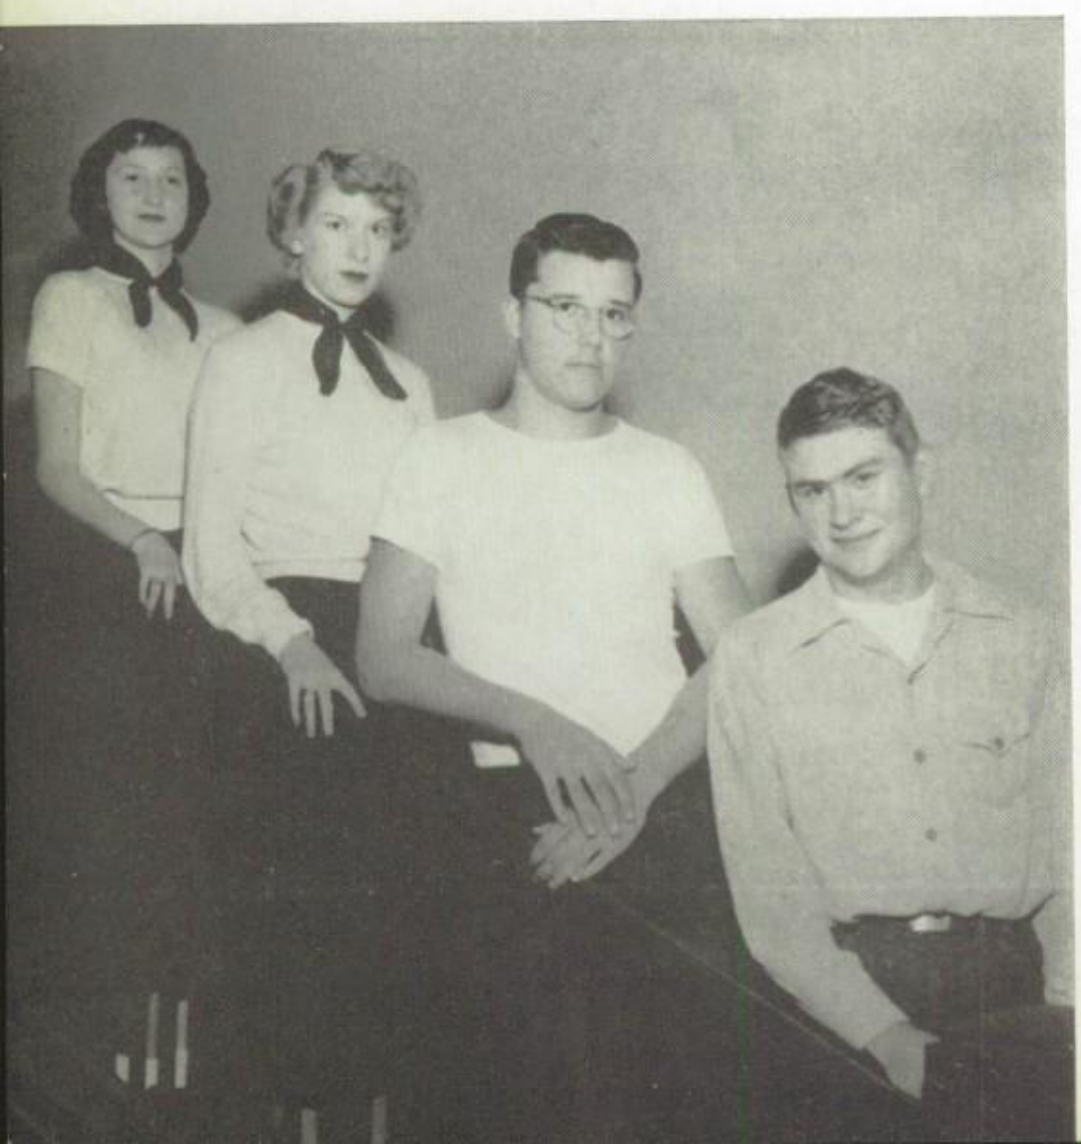
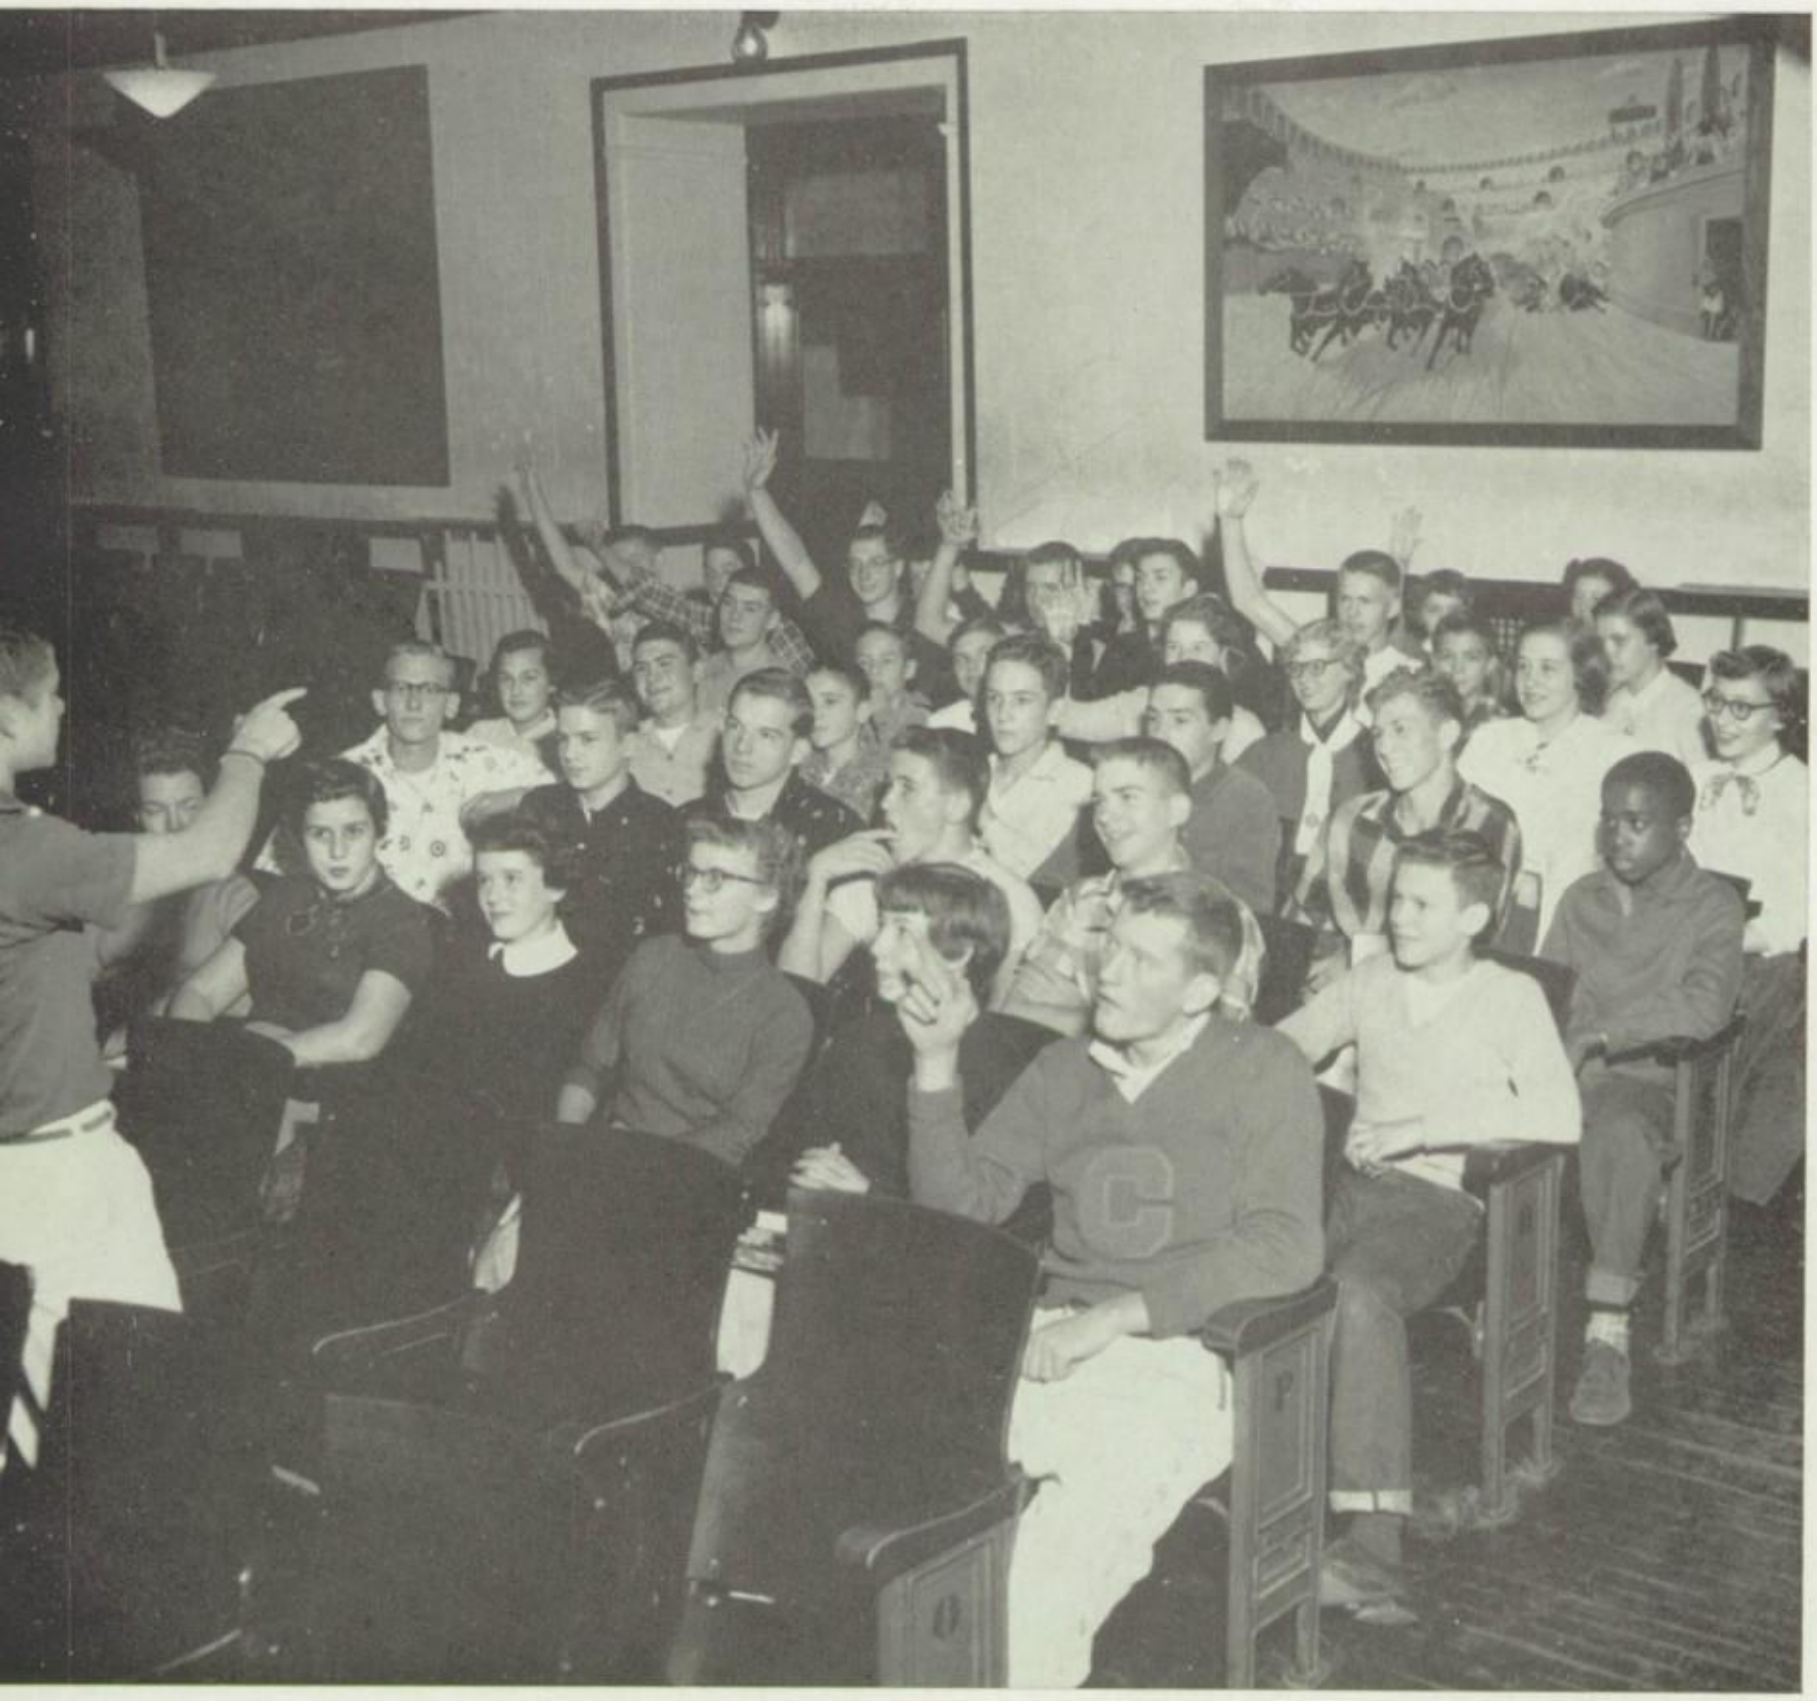
UNDERCLASSMEN

The class of 1957, more commonly called the Sophomores, began their first year in Crawfordsville High School in 1954-1955. The officers of their class (pictures below right to left) were: John Weikel, president; Jim Nichols, vice-president; Janet Keller, secretary; and Sandra VanHook, treasurer.

Pictured above (right to left) are the officers of the Freshman class. Earl Arnett served as president of the class of 1958 while his assistants were Joan Stout, vice-president; Judy Oakley, secretary; and Bernard Karle, treasurer.





Student Council

The members of the Student Council are elected each year by the entire student body of CHS. One representative is elected from each small senior high home room, one for every thirty students in Home Room 203, three from the Freshman class, two from the Eighth Grade, and one from the Seventh Grade.

The council selects auditorium programs, arranges pep sessions, has charge of noon-hour recreation, and the election of yell-leaders. This year the council revised the plan for the Homecoming Parade and for the election of the Homecoming Queen.

This organization is run in such a manner that the participating students learn many of the methods used by democratic government.

The officers for the 1954-1955 school year were Jerry Kight, president; Carolyn Hudson, vice-president; Peggy Covey, secretary.

"Behind

The Scenes"

We will long remember the activities of our year . . . 1955! A new organization, the FTA, visited the County Schools . . . the Speech Arts developed from the newly formed dramatics class . . . the Oratory students brought many honors to CHS . . . Mr. Scott returned to the Latin Club after an absence of two years . . . the Band entered class "A" contest . . . the Choral Festival was at Greencastle on March 25th . . . the Pep Band followed the trend to popular and jazzy music . . . the Pep Block won wide-spread praise during the Regional and the Semi-Final . . . the Sunshine Society sponsored the traditional Christmas Ball and was joined by the ABC to spread Christmas cheer baskets.

Senior Honor Society

Following the annual induction of new members to the National Senior Honor Society during a student convocation on January 13th, a reception was held for members and their parents. All members of the organization are required to maintain a scholastic average of 90% or above, besides having good qualties of leadership, character, and service.

The Honor Society's elected officers were Beverly Stewart, president; Betsey Harvey, vice-president; and Nancy Ross, secretary-treasurer. Miss Schweitzer served as faculty sponsor.

Oratory

The purpose of oratorical organization is to give students experience in the preparation and presentation of the various forms of oratory. This group of senior high students never actually hold meetings or elect officers. They merely work with Mr. Grider, faculty adviser in oratory, and prepare to enter such contests as The Voice of Democracy, The Anna Willson, The Indiana Forensic League, The Wabash oratorical, The Rotary Club oratorical, and a few others. The students who participate in oratory work at poetry reading, humorous declamation, extemporaneous speaking, original oratory, and so on.

Sunshine Society

Highlights of the Sunshine Society's activities for the year were the Riley Fund drive in November for which over $400 were raised, the annual Christmas Ball and cheer basket distribution in December, and the "Twirp Twirl" in April. Any girl in grades nine thru twelve is eligible to attend the society's monthly meetings which are presided over by the organizations elected president, Rilla Hybarger (center-front row). The remaining four officers (left to right–front row) were: Myrna Myers, corresponding secretary; Nancy Gentry, treasurer; Mary Hauck, vice-president; and Marilyn Wilson, recording secretary.

Athenian Boosters Club

The picture below shows the ABC Council whose members (left to right–front row) were: Phil Edwards, sophomors representative; John Johnson, junior representative; Bill Balch, president; Larry Dickerson, vice-president; Joe Allen, secretary-treasurer; (left to right-back row) Don Orr, freshman representative; Mr. Auer, faculty sponsor; Mr. LaFollette, faculty sponsor; Ed Scaggs, sargeant-at-arms; Tom Ward, senior representative; and Mr. DeWitt, faculty sponsor.

Latin Club

After any student has studied Latin for one semester he is eligible to attend the club's meetings, which demonstrate items of importance to the study of ancient Rome. Mr. Scott served as faculty sponsor for this group while two sets of officers, one for each semester, were elected. During the first semester David Allen was president; Tom Manley, vice-president; Carolyn O'Dell, treasurer; and Marilyn Wilson, secretary. During the second semester the officers were Phil Edwards, president; Jay Farrar, vice-president; Carolyn O'Dell, treasurer; Marcia Miller, secretary.

Spanish Club

Since the purpose of the Spanish Club is to teach something about the culture and life of the Spanish-speaking countries, programs were planned during which movies were shown of these countries, and speakers discussed items of interest to Spanish students. A student must complete one semester of Spanish before he may attend the club's meetings. The officers for 1954-1955 were Nancy Hawkins, president; Judy Fordyce, vice-president; Diane Sering, secretary; and Don Orr, treasurer. Mrs. Fadner was the faculty sponsor.

Future Teachers of America

A sincere interest in the teaching profession is the only qualification for membership in the FTA. The organization, under the direction of Miss Schweitzer and Mr. Tharp, improved the looks of our school's "front yard" by planting several flowers and trees during the school year. The club's main function was to promote cadet teaching and aid new FTA organiaztion's in the surrounding county schools. A banquet sponsored by the Delta Kappa Gamma was one of the high-lights of the year for this group.

The officers for 1954-1955 were Donna Strain, president; Nancy Gentry, vice-president; Marilyn Davidson, secretary; Virginia Hose, treasurer; and Wayne Fisher, librarian.

Speech Arts

Students of Crawfordsville Senior High who are interested in the various phases of dramatics, move from the Junior Dramatics Club to the Speech Arts Club. Membership is open to participants in oratorical contests, members of the advanced speech class, actors in school plays, or a student who "trys out." During the year, in addition to their regular monthly meeting, the club rehearsed and presented a one-act play "Poor Magdalina," by Susan Glasgow.

The officers for the school year were David Ginn, president; Jim Grenzebach, vice-president; Linda Marsh, treasurer; and Peggy Covey, secretary. The faculty sponsor for this group was Miss Scarseth.

Up-N-Atom

Everyday science, as well as the finer points of professional science, are discussed and demonstrated during the monthly meetings of the Up-N-Atom Club. This organization is affiliated with the Indiana Academy of Science Clubs of America. Mr. Wells serves as the group's faculty sponsor and aids the officers in preparing interesting and valuable programs for the club's members. The program usually consists of a demonstration or talk by a scientist from a nearby school or city or by one of the club's own members.

Joe Allen was the Up-N-Atom's president, while John Johnson served as vice-president and Nancy Ross was secretary-treasurer.

Paletteirs

The Paletteirs is an organization composed of students who are enrolled in the art course. This club holds no meetings and elects no officers, but instead works to uphold its motto, "Service to the School." The members undertake projects such as painting sets for plays, helping with the prom decorations, and painting posters. Many members of this organization enter the annual Scholastic Art Exhibition, in which they usually win high honors for their school.

Miss Catherine Martin, art instructor, is the Paletteir's faculty adviser.

Future Farmers of America

The purpose of the Future Farmers of America is to develop better farmers who will be of more service to their country. The CHS branch of this nation-wide organization does its part to teach the latest methods of modern farming and animal raising to its members.

The FFA's officers for 1954-1955 were Alvin Enlow, president; Ed Switzer, vice-president; Ronnie Keller, secretary; Jim Warren, treasurer; and Jim Crum, sentinel. Mr. Guse served as faculty adviser.

Future Homemakers of America

One of the recently formed organizations is the Future Homemakers of America. As the FFA teaches vocational farming to boys, the FHA promotes a program of modern homemaking methods to any girl in the senior high who is interested in attending the club's meetings.

This year seventy-four members were led by Jonell Otterman, president; Betty Gilliand, vice-president; Janet Gooden, secretary; Janice Crane, treasurer; Rita Harriman, parliamentarian; Carolyn Northcutt, song-leader; and Betty Shaw, reporter. Mrs. Stouder was the faculty sponsor.

Athenian Staff

The "*Athenian*" is Crawfordsville High School's yearbook and is published by the senior class for the entire school. This book will be used as a reference for the CHS school year of 1954-1955, and is considered as a cherished memorial by the students and alumni of the school.

The staff wishes to thank the many students and faculty members whose many hours of hard work made the 1955 "*Athenian*" possible. Our special thanks go to Mrs. Strum and Mr. Weiss, who were faculty advisers for the yearbook.

The seniors who were members of the "*Athenian*" staff for 1955 were: Editor-in-chief, Betsey Harvey; assistant editor, Nancy Wells.

Business Manager, Jerry Walker; assistant business manager, John Kummings, Nancy Hawkins, Carolyn Hudson.

Photography Staff: editor—Steve Watson; Sue Danforth, Ed Knox, Ray Kostanzer, Ray Endicott, Jim Showalter, Claudette Jones.

Copy Staff: editor—Edgar Husted; Sue Cunningham, Shirley Deckard, Madeline Grimes, Judie Rudy, Ramona Sparks, Joan Keedy, Nancy Ross, Betty Shaw, Marilyn Todd, Jeanne Powell, Tom Wilson, Carol McGee, Mary Hauck, Rochelle Roche, C. C. Frisz, Margie Scott, Carol Stump. Copy writers who were not members of the staff: Fred Knox, Donna Strain, John Cowan, Mark Mount, and Sandy Groves.

The "Gold and Blue"

CHS'S school paper, the "Gold & Blue," serves two purposes. The bi-monthly publication is not only a device through which the Journalism classes learn about modern newspaper production, but a definite service to the school and to the students, who enjoy reading the pages of school news and gossip.

The first semester's staff, under the direction of Mrs. Strum, were: editor-in-chief, Madeline Grimes; page one editor, Ray Kostanzer; page two editor, Ray Endicott; page three editor, Tom Wilson; page four editor, Edgar Husted.

The editor-in-chief for the second semester was Betty Jean Shaw and the faculty adviser was Mr. Weiss. The jobs as various page editors varied among: Carolyn Hudson, Rochelle Roche, Kay Miles, Sue Cunningham, Sandy Morrow, Nancy Hawkins, Ed Scaggs, and Fred Knox.

Senior G A A

The Senior Girl's Athletic Association, under the direction of Miss Stahr, promotes good sportsmanship among girls through participation in inter-school sports. Among the many sports which are sponsored by the Senior GAA are, softball, archery, basketball, volley ball, badminton, and bowling. The officers for 1954-1955 were: Judy Fordyce, president; Mary Warren, vice-president; Carolyn Burdett, secretary; Marilyn Davidson, treasurer; Barbara Hudson, reporter.

Junior G A A

The Junior Girl's Athletic Association consists of girls in the 7th and 8th grades and the organization is sponsored by Miss Williams. This group learns good teamwork and new games, which prepare them for the more active and complicated recreation of the Sr. GAA. This year's officers were Charlene Williams, president; Linda Kernodle, vice-president; Francis Utterback, treasurer; Pam Edwards, secretary.

Junior Honor Society

The Junior Honor Society continued to encourage high standards of leadership, scholarship, character, and service in the lower three grades. Its members are required to maintain a scholastic average of at least 90% during the school year. The organization inducted thirty new members from the eighth and ninth grades during the annual student convocation on January 13th.

The 1954-1955 officers were: Carol LaFollette, president; Richard Haslam, vice-president; Mary Ruth David, secretary; and Roberta Hunt, treasurer. The faculty sponsors were Miss Guilliams, Miss Wilson, and Mr. Burns.

Junior Dramatics Club

In order to get practical experience in play production, the members of the Junior Dramatics Club presented two one-act plays before the Junior High. These plays were "*Jimmy Six*" and "*Spring Daze.*" The membership includes eighth and ninth grade students who are interested in the different types of dramatical skills.

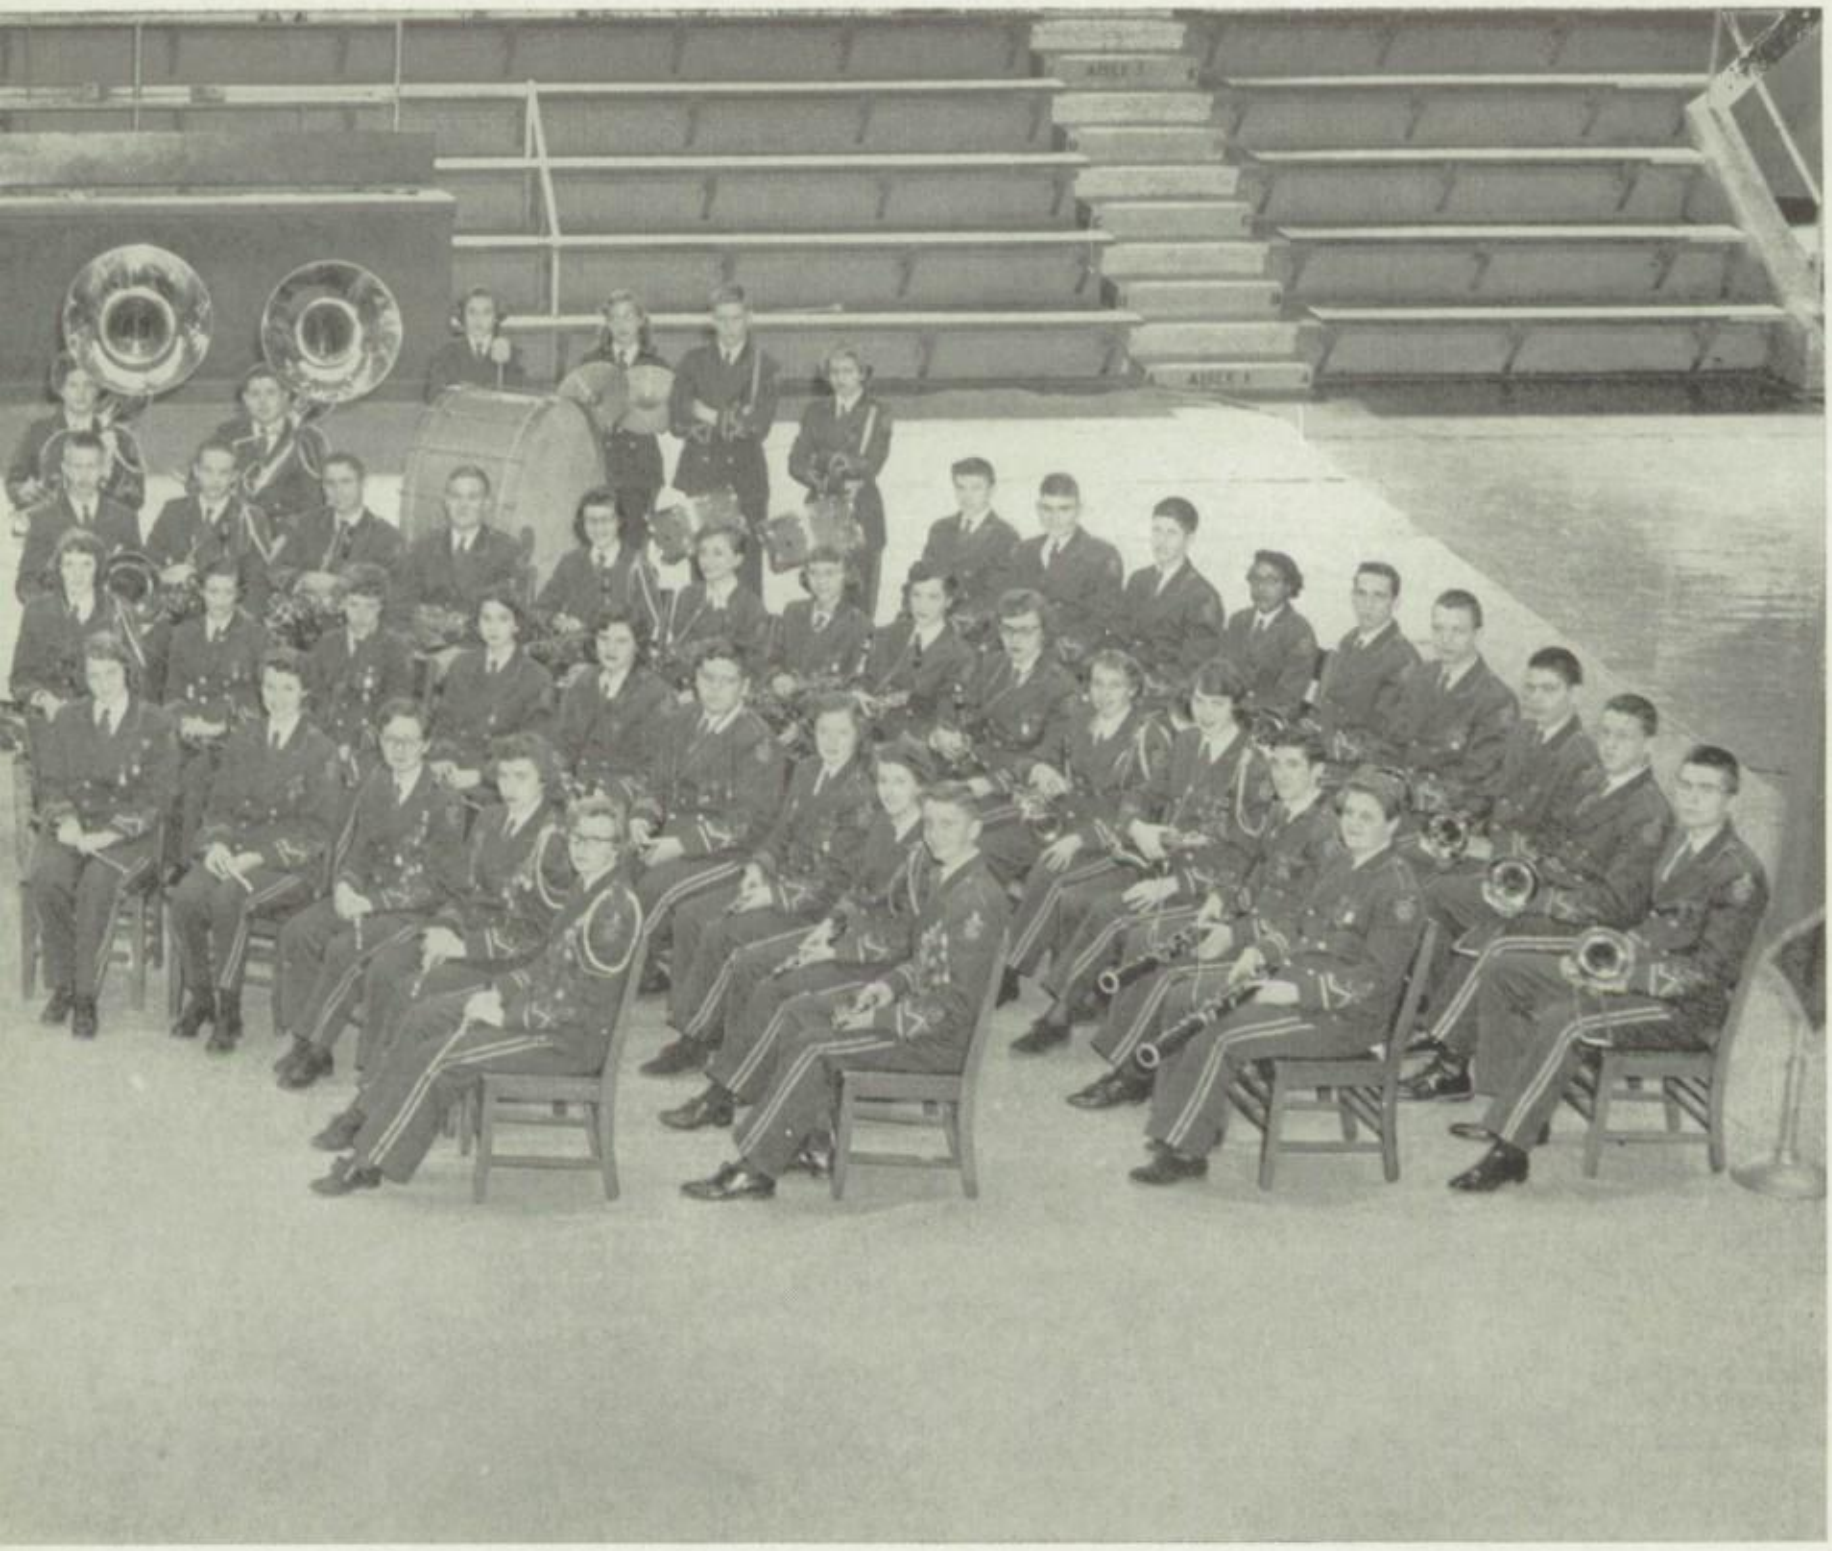
Miss Wilson, Mrs. Bartkiewicz, and Mr. Hartman sponsor the organization.

Concert Band

The Crawfordsville High School Band began its activities the first day of school by preparing a half time show for the first home football game. During the "marching season" the 80-piece band drilled on South Green Street and at Tuttle Field each day during third period. The marching band was led by the drum major, Mickey Jeffries, and the seven majorettes.

This marching group performed at four football games, the annual Santa Claus Day parade in uptown Crawfordsville, and attended Purdue University's first Indiana High School Band Day. The 12 piece Pep Band provided music for the various civic events when it would have been difficult to use a full band. This group's autumn activities included the Kiwanis Kiddie's Day Parade, the Lions Halloween Parade, all four away football games, pep sessions before games, and so on.

As cold weather approached and outdoor activity was ended, Mr. Spaulding, the director, organized the Concert Band, composed

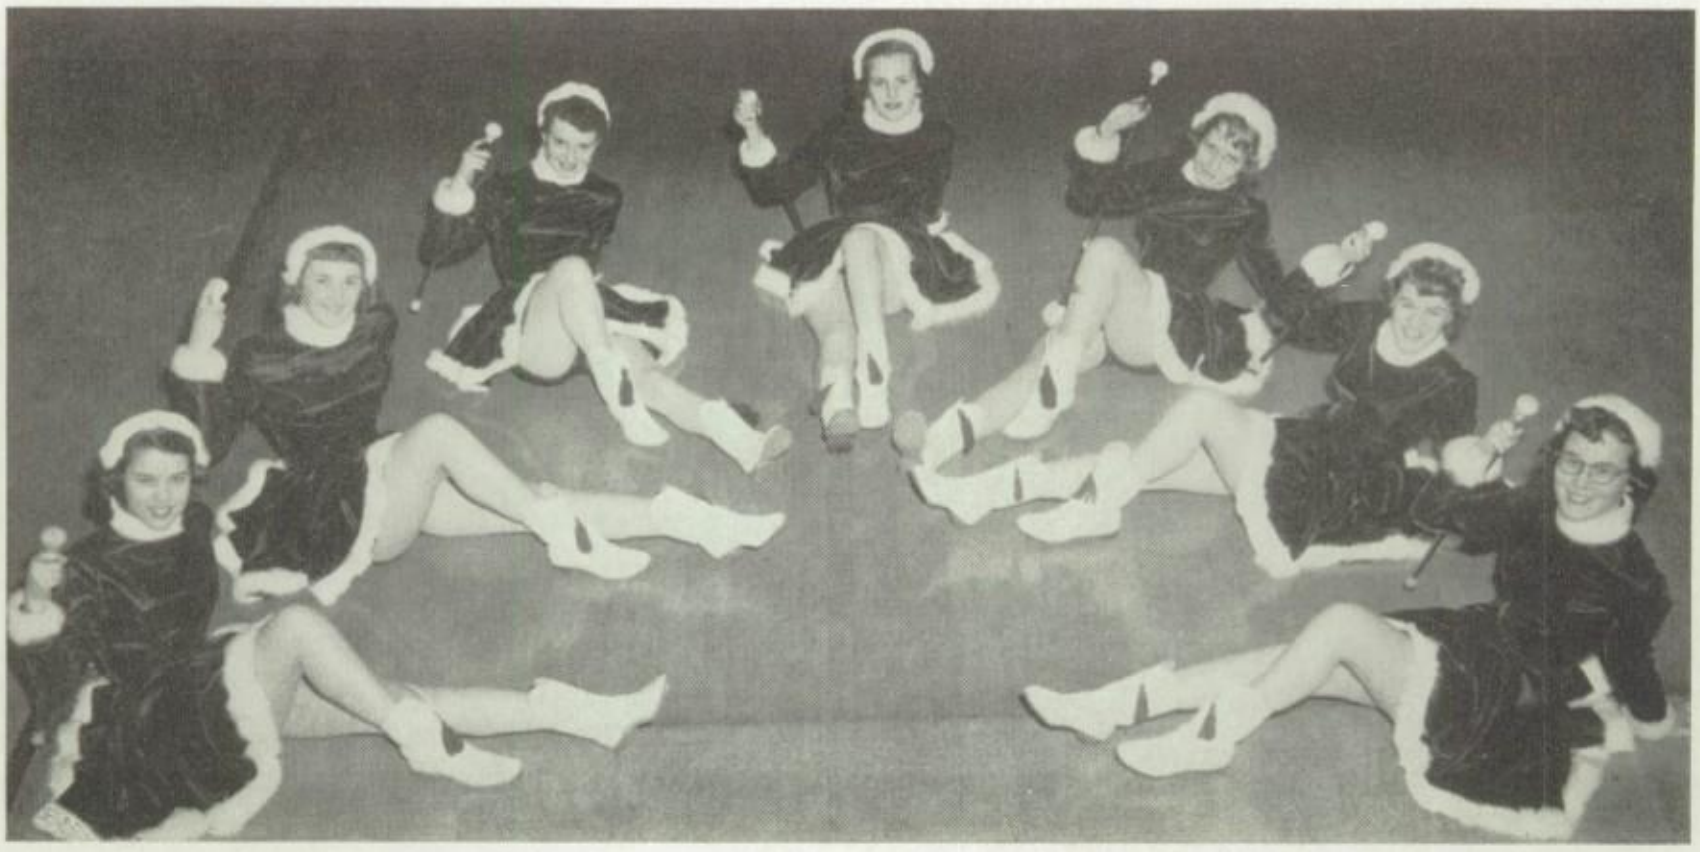


of 95 members which include many students from the junior band. This group worked Tuesday and Thursday noon for three months in preparation for the State Band Contest at Indianapolis Howe April 16. For the first time our band entered Class "A," and since the competition was much higher they were unable to continue the constant rating of "First" which had been awarded previous CHS bands which entered class "B" contests.

At the same time, the regular third period band played at the home basketball games, and along with the Pep Band, assisted the Pep Block and the team through an excellent season.

The spring activities of the band included a concert on April 12, and another on May 6. The annual commencement exercises didn't end the year for the band, however. They were invited to lead the parade on the opening day of the National Decathlon which will be held at Wabash July 1 and 2.

The officers for the 1954-1955 high school band were: Edgar Husted, president; Marilyn Clark, vice-president; Marilyn Williams, secretary; Ronnie Surber, Bill Schaaf, and John Cowan, quartermasters.



Majorettes

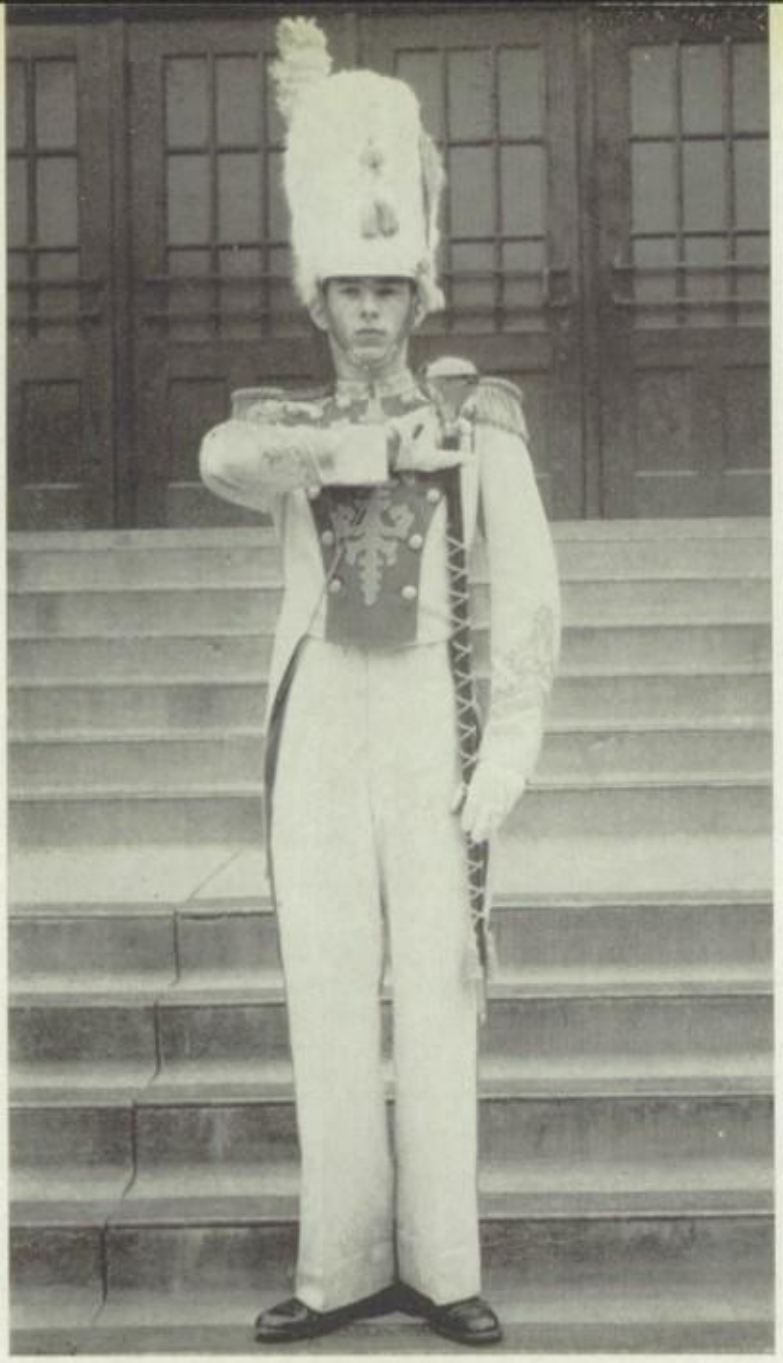
Outfitted in new blue velvet uniforms, the majorettes, led by Garnett Johnson, performed at the halves of all home football games. Lucky Santa Claus was presented to the fans by the seven girls at the West Lafayette basketball game. They performed with lighted batons in the darkened gym.

Pictured above are: (left to right) Marilyn Clark, Garnett Johnson, Sandra Runyon, Shirley Deckard, Sonia James, Judie Rudy, Madeline Grimes.

Music Council

The Music Council is composed of the presidents of all the musical organizations of the school. Its purpose is to help the music faculty plan the various programs of the year.

Pictured below are: (left-right, front row) Carol LaFollette, Junior Girls' Chorus; David Brandkamp, Junior Band; Stan Mount, Pep Band; Alan Myers, Junior Boys' Chorus. (second row) Mr. Spaulding (band); Edgar Husted, Senior Band; Jim Patton, Music Club; John West, Senior Chorus; Miss Canine.



Drum Major and Pep Band

Swinging the biggest baton of all was sophomore Mickey Jeffries. His job was to maneuver the band on parade.

The Pep Band contributed greatly to the enthusiasm of the student body. For the first time since its organization the Pep Band played popular and current hits. Some of their favorites were "When the Saints Go Marching In," "Sh-Boom," and "Hearts of Stone." This group of boys traveled to every "away" football game and attended better than half of the "away" basketball games.

The members of the Pep Band ranged from the eighth grade to the senior class. The "Crazy Kats" were: (left to right-front row) Dan Harwood, John Cowan, Bill Schaaf (left to right-second row)Phil Edwards, Ronnie Surber, Fred Corbin, Tom Evans. (left to right-third row) David Allen, Don Heath, David Brandkamp, Stan Mount. (back row) John Robbins and Edgar Husted.

Junior Band

The Junior Band is the last step in working up to a position in the CHS Senior Band. First the band student plays in "Beginners Band," and then "Grade School Band." As the music student enters Junior High he then participates in the work of the Junior Band.

This organization trains musicians in the fundamental skills of reading and playing band music. Many of its members practice with the Senior Band during the weekly rehearsals during noon-hours.

The Junior Band's officers for 1954-1955 were David Brandkamp, president; Karen Miller, vice-president; and Ann Davenport, secretary. Mr. Spaulding directs this band.

Atheniettes

The traditional senior girls triple trio, better known as the "Atheniettes," were (left to right): Nancy Hawkins, Judie Rudy, Donna Strain, Carolyn Hudson, Linda Updike, Nancy Gentry, Nancy Ross, Marilyn Clark, and Shirley Deckard. Seated is their accompanist, Rilla Hybarger.

These girls sang many times for various organizations in the community and also sang for the student body many times during the Christmas season.

Robed Choir

The Crawfordsville High School Robed Choir, under the direction of Miss Margaret Canine, sang for the annual Baccalaureatte services in the auditorium May 22nd. This group is basicly composed of seniors who are in regular chorus, with the junior members of chorus filling in the "weak spots." The Robed Choir is distinguished by their gold and blue robes which are always worn by the members during performances.

Senior Boys' and Girls' Chorus

The combined Senior Boys' and Girls' Chorus, under the direction of Miss Margaret Canine, presented the annual Thanksgiving and Christmas convocation to the student body and public during the fall of 1954. The group attended the Choral Festival at Greencastle on March 25th and presented a part of the Spring Music Festival on May 6th.

The sophomore members of the chorus practiced during fourth period while the juniors and seniors rehearsed during fifth period. Several students who were unable to practice either period attended a practice session at 7:40 every Tuesday morning during the winter.

John West served as president of the combined chorus while Judie Rudy was Librarian for the girls and Tom Wilson held the same job for the boys.

Junior Girls' Glee Club

The Junior High Girls' Glee Club is made up of eighth grade and ninth grade girls who practiced with Miss Canine during Home Room period on Monday, and seventh grade girls who practiced during regular seventh grade music class. This organization combined with the Junior High Boys' Glee Club to present the annual Easter Convocation to the student body and the public on April 5th.

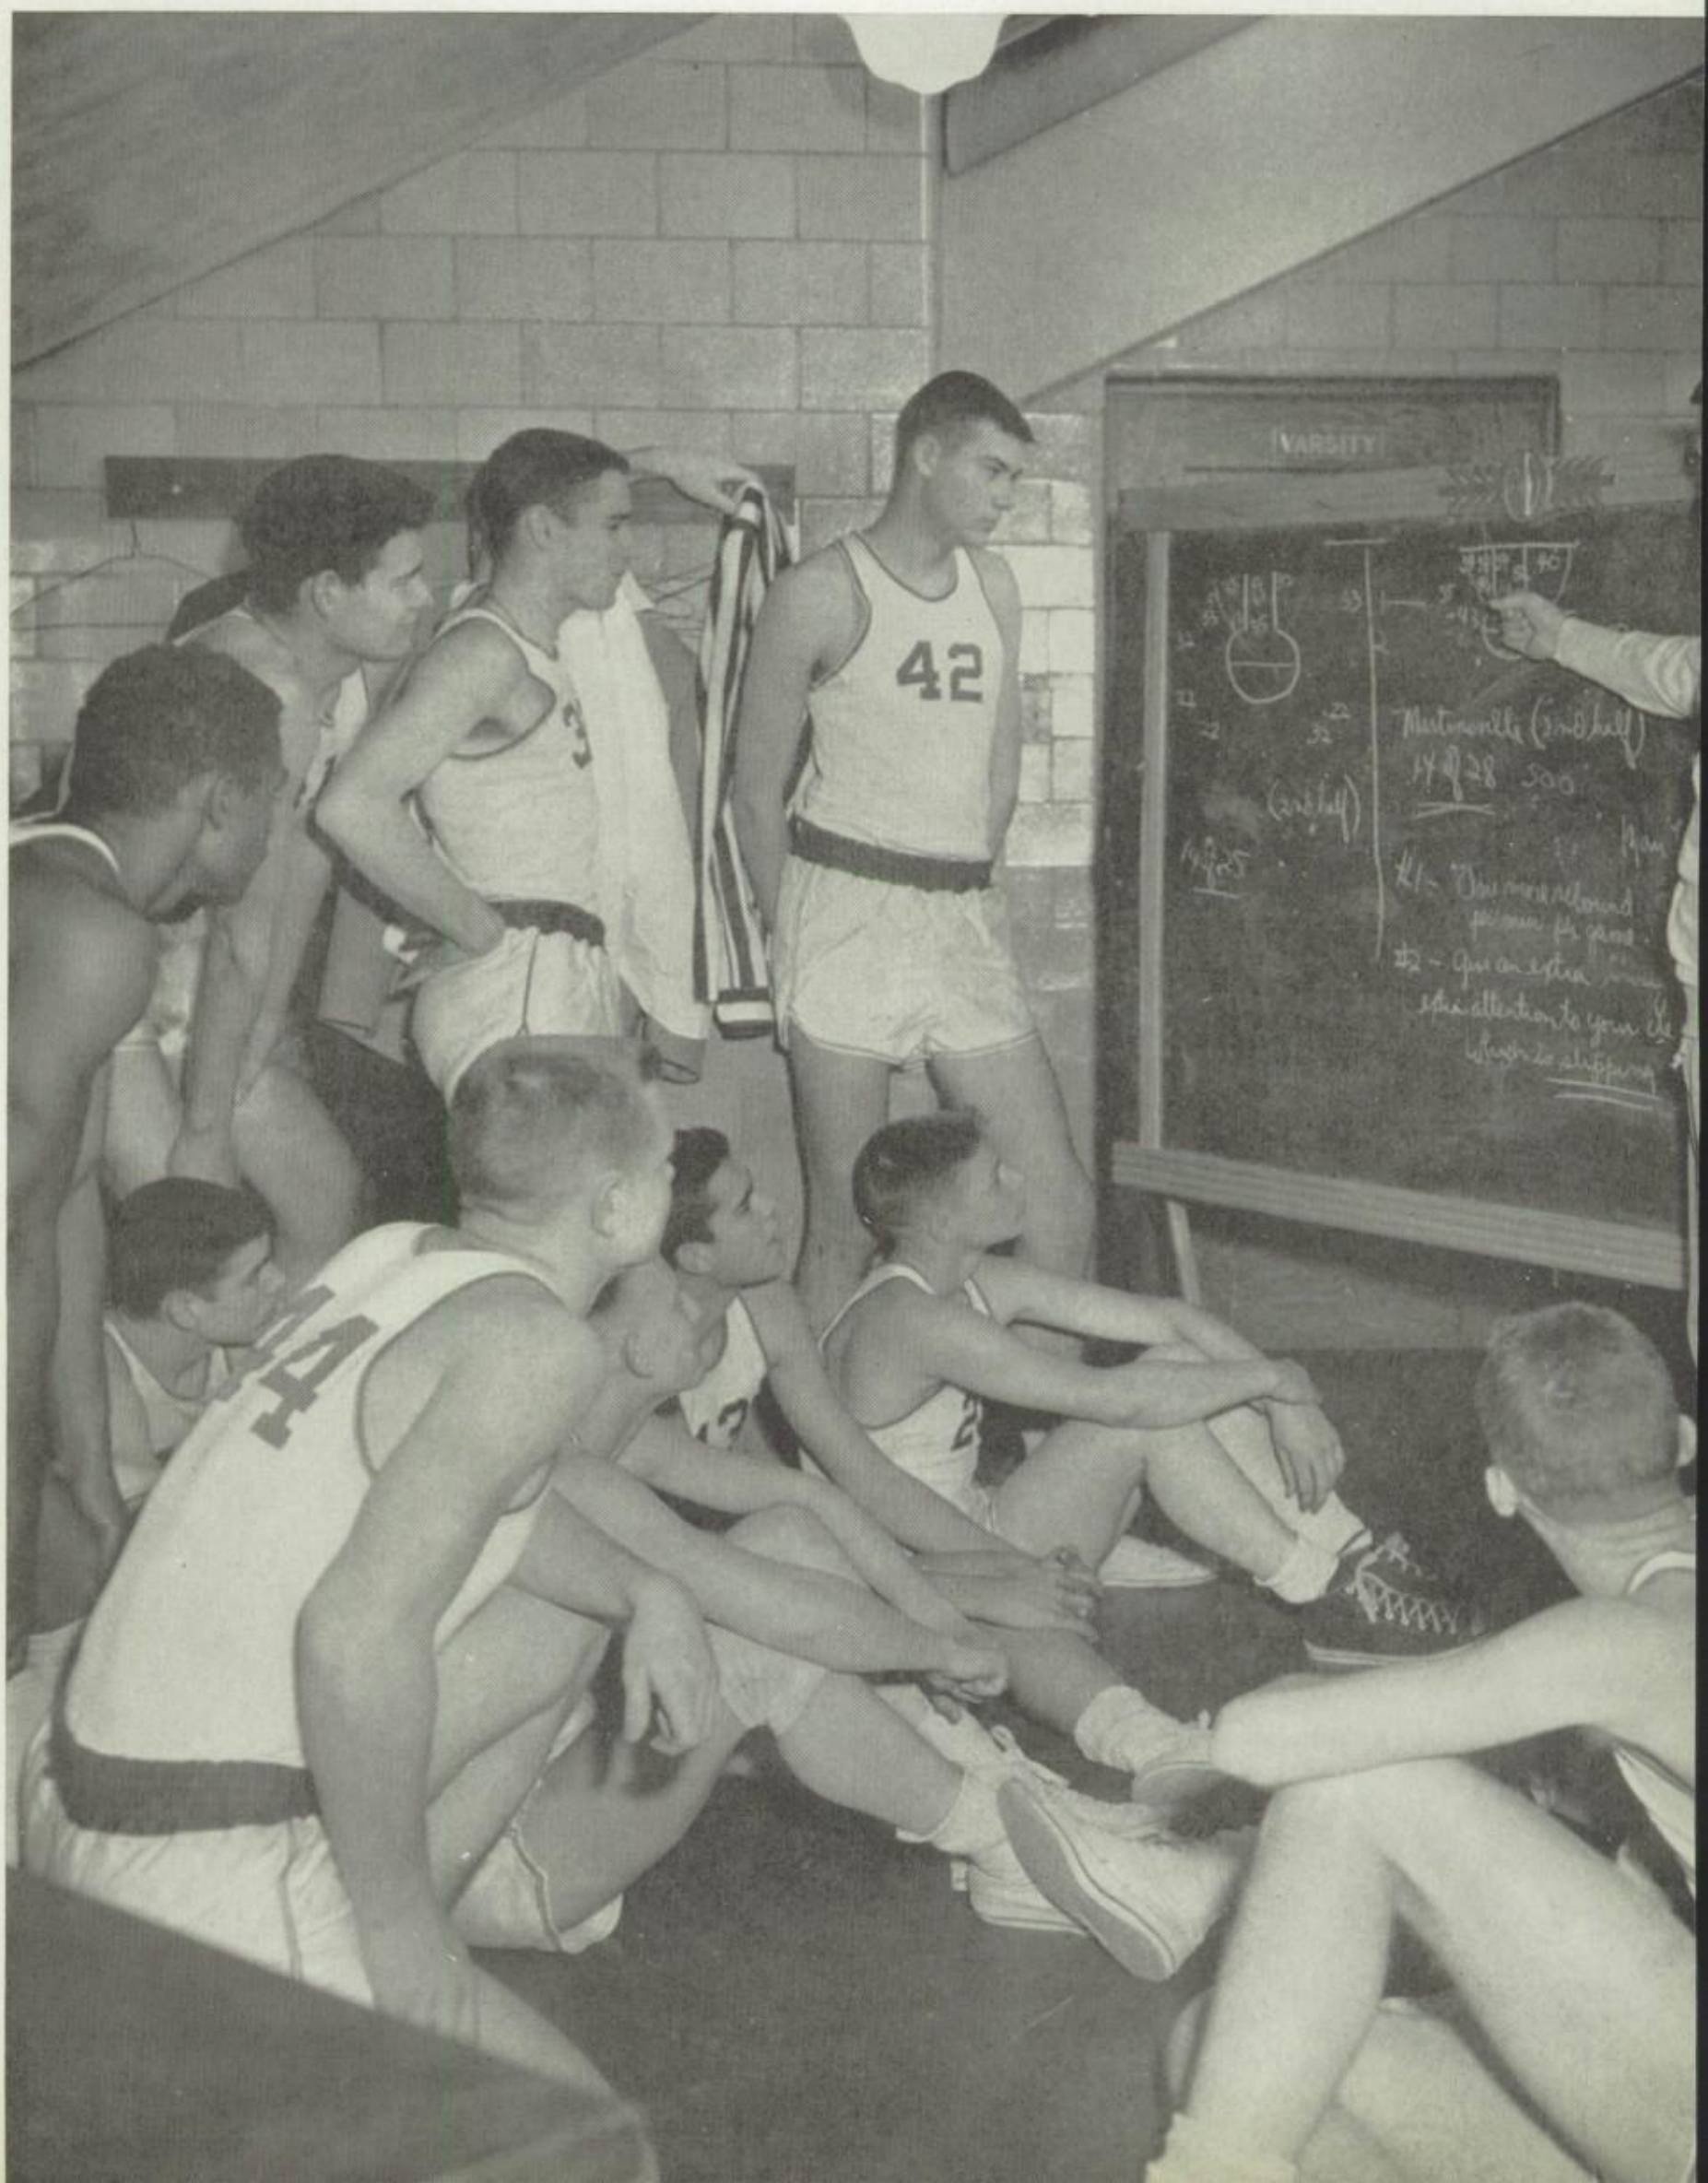
The organization's officers were Carol LaFollette, president; Sharon Sheets, vice-president; and Sandy Groves, secretary.

Junior Boys' Glee Club

The Junior High Boys' Glee Club, consisting of boys in the eighth and ninth grade, meets every Friday morning during Home Room period. Any seventh grade boy who enjoys singing with the Glee Club practiced during regular seventh grade music class. The Boy's Glee Club and the Girl's Glee Club presented a short program during the annual Spring Music Festival in the gymnasium on May 6th.

This group's 1954-55 officers were: Alan Myers, president; Don Heath, vice-president; David Brandkamp, secretary.

"The Stage



Crew"

We recall those cool autumn evenings which we spent on the bleachers at Hoover Field, the winter evening watching Indiana's greatest sport in the CHS gym, and the mild weather that accompanied the spring sports. We look back on the many trips we took with our friends and our parents to the athletic events away from home—those drives to Lebanon, Greencastle, and Lafayette. We remember the pep sessions and pep rallys in the gym, the auditorium, and at Tuttle Field; and the skits, the yell leaders, and music of the band that was part of them. The dances and social events after games and pep rallys bring back memories. The students of our school can proudly recall the wrestling team which placed 7th in the state and our basketball team's victorious climb from the sectional to the semi-finals.

All of this was part of our year—1955—and sports at CHS. We learned to appreciate co-operation, sportsmanship, and school-spirit. Our school learned how to lose as well as how to win. And yet in our hearts there was always but one desire—to win for Crawfordsville High School!

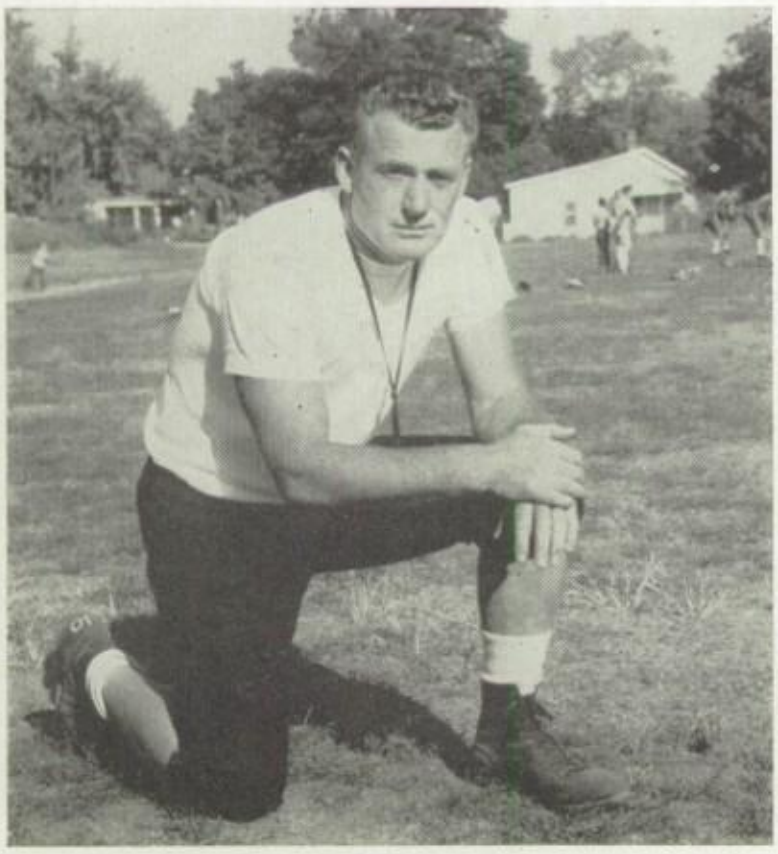
FOOTBALL

The season's opener was sparked by a superb defense and two touchdown runs by Milt Kessler. Noblesville went down 14 to 6.

With Johnny Elmore crossing the goal three times and Ed Scaggs twice, the Delphi Oracles bowed to the Athenians 40 to 6. Sering and Blacker combined to score the sixth TD.

Five touchdowns were scored in the first nine Athenian offensive plays, which, added to a fine defensive performance sparked by Paul Harden, the team put the skids on Sheridan by a 37 to 12 count. Coach Hoke had an excellent chance to see his subs in action since the first squad played only sixteen minutes of the game!

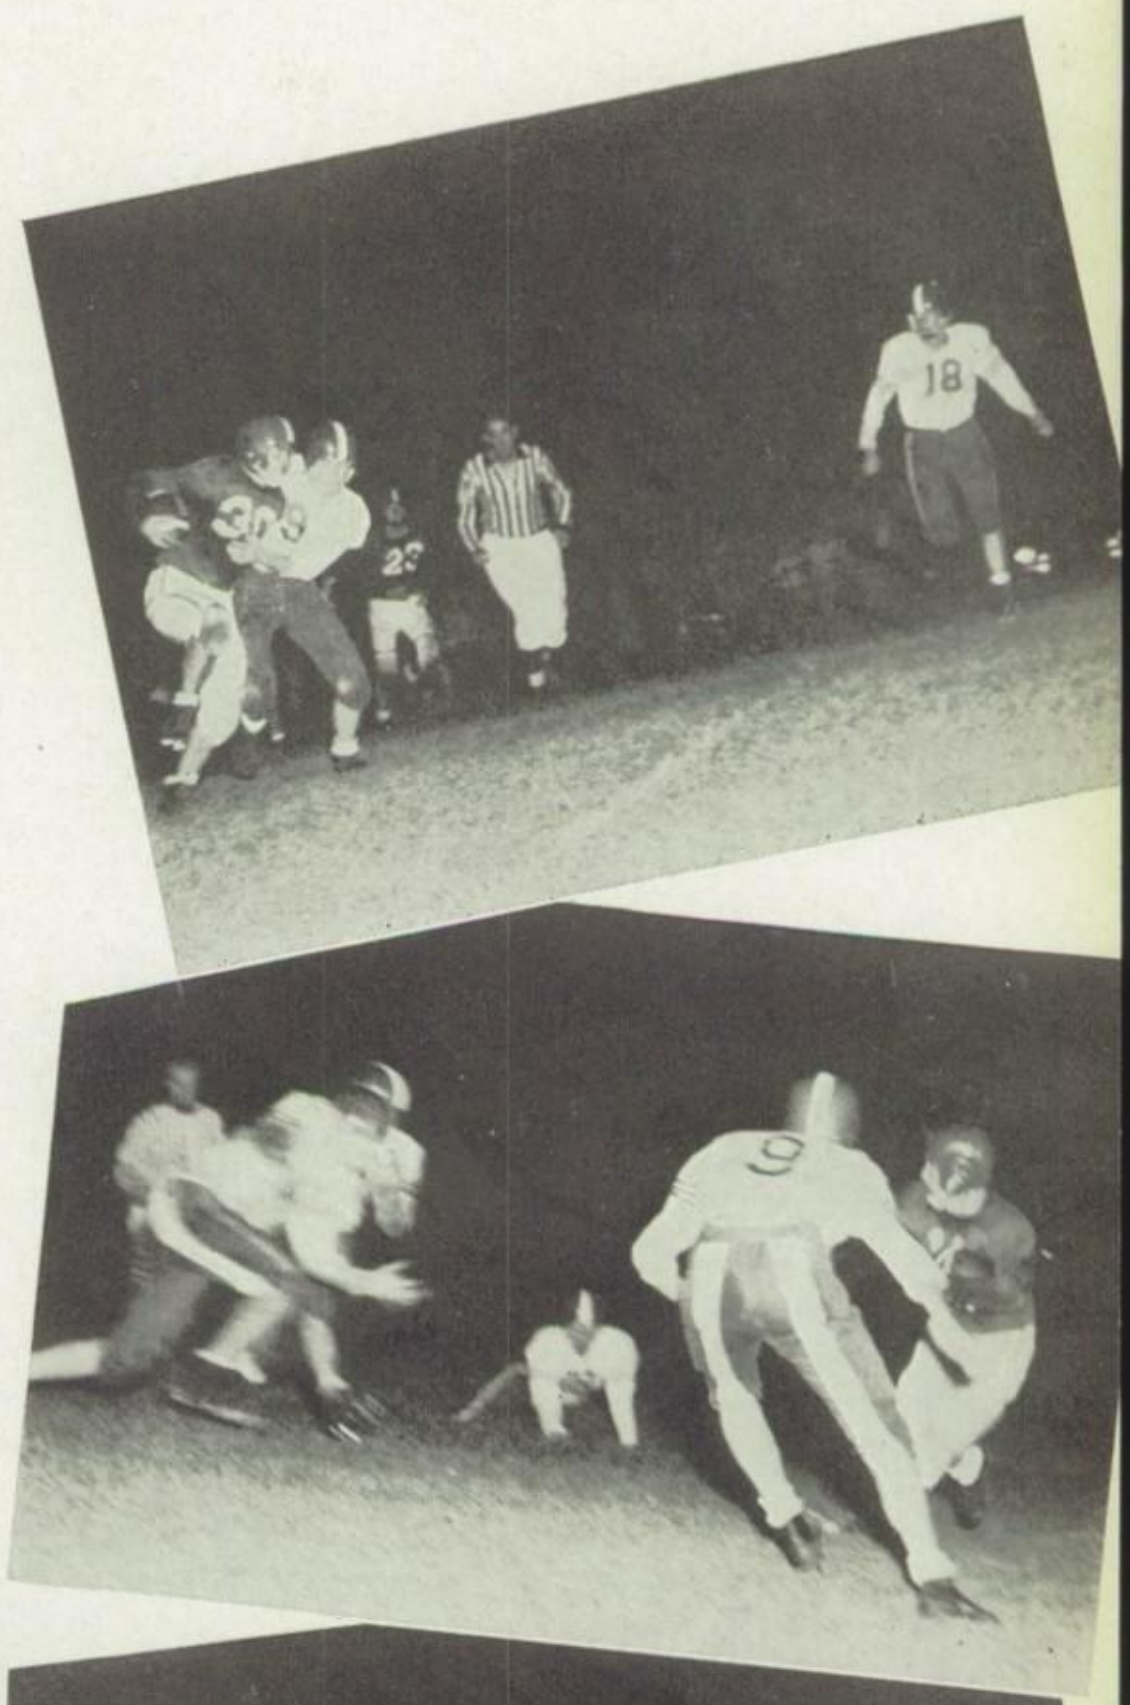
CHS's annual Homecoming was topped off with a thrilling 13 to 12 squeeze over West Lafayette. Trailing 12 to 6 in the final minutes of the game, the Athenians worked Jim Coahran over the goal to tie the score. Ed Scaggs' important placement kick won the game.



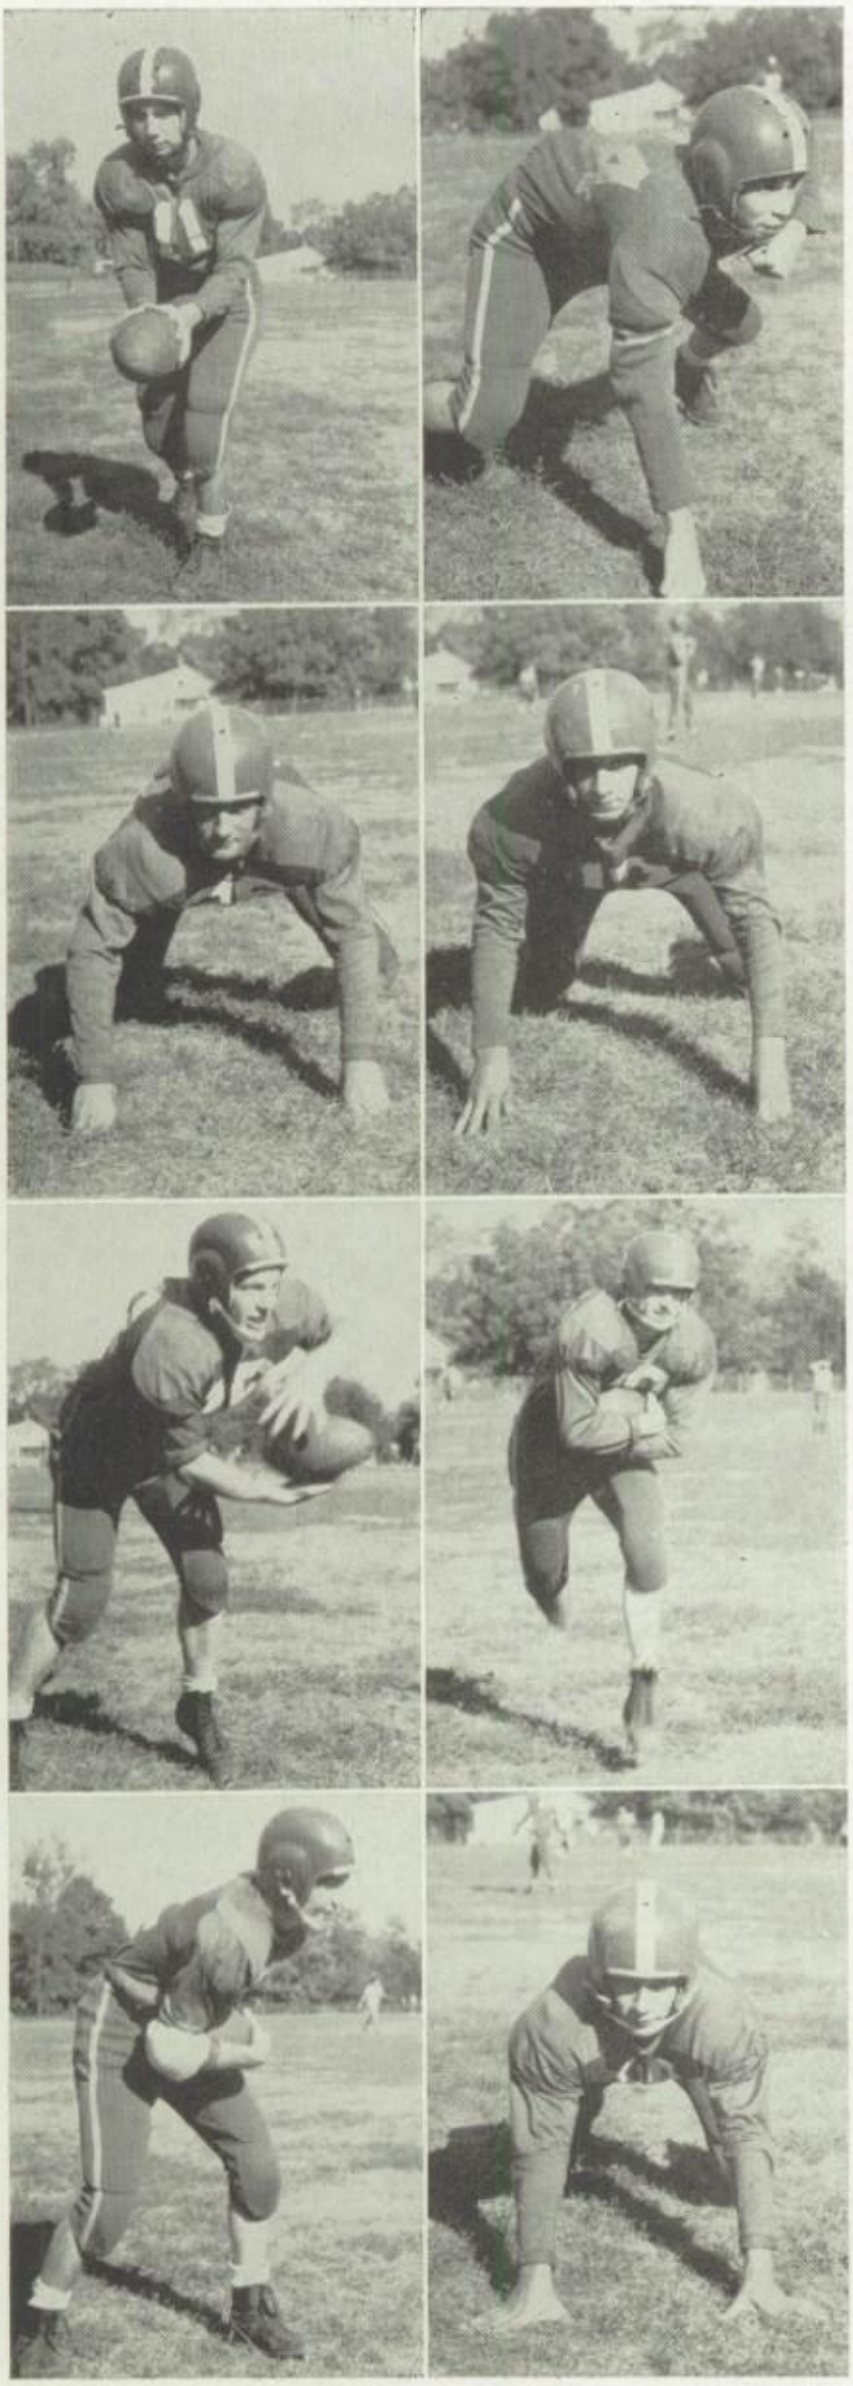
Coach Bob Hoke

The Athenian's string of four wins was snapped by Brazil as the Red Devils scored twice in the fourth quarter to edge by CHS 15 to 12. Johnny Elmore's touchdown was nullified as the gun sounded at the half and a late Athenian rally was unable to shorten the 15 to 6 Brazil lead, although the rally did cut the lead to 15 to 12!

CHS entered the second quarter against Lebanon with a 7 to 0 lead but was presented with a 27 point Tiger splurge during the next ten minutes. Athenian fumbles were frequent as the Lebanon team "tackled the ball." The final count was 34 to 7–Lebanon.



Coach John McCormick



A successful switch from the usual Athenian "split T" to a Single Wing, spelled victory for the local squad over the Greencastle Cubs. Coahran scored in the opening minutes of the game and Elmore crossed the goal early in the second half to account for the close 13 to 12 CHS win.

An undefeated Rensselaer team brought a trainload of backers as the Athenian's final game turned out to be a complete route. The visiting Bombers scored 21 points in each the second and third quarter as the snow and cold winds took its toll of the Athenian fans and team. The score 61 to 13–Rensselaer.

Thus the Crawfordsville Athenians ended their first "winning" season since 1949 with 5 wins and 3 losses. Coach Bob Hoke's two year record now stands at 9-7.

BASKETBALL

1954-1955 will long be remembered as one of the greatest years in Crawfordsville High School basketball. Coach Jerry DeWitt's second season with the Athenians was one which finally placed CHS high in the ranks of Indiana high school basketball, after an absence of many years. Coach DeWitt's two year record now stands at 40 wins and 9 losses. This season ended at 24-2.

Noblesville provided opening night competition and was surprised by a giant Athenian roster. The scoring followed the general pattern of the entire season—Warren 19, Dickerson 14, and Balch 10. Final score—CHS 82—NHS 56.

It had been nearly ten years since an Athenian squad defeated Frankfort, but the jinx was broken in 1954! The verdict—71-54. Warren scored 24.

One of the most remembered games in 1954-55 Indiana basketball was the 35-25 stall game played at Lebanon. The first quarter was 2-0 Lebanon and the half time count read 7-2 Lebanon. The tall Athenians had encountered their first stall and lost.

Coach Jerry DeWitt

Delphi attempted to repeat Lebanon's tricks, but thanks to Phil Warren's 25 points they didn't quite make it—35-27.

For some reason the famous stalling team from Brazil refused to stall—as a result a beautiful exhibition of shooting and rebounding by CHS. Warren and Dickerson provided the points while Elmore and Balch added rebounding power to a 63-50 victory.

With the varsity running up a 24 point lead and the subs widening the margin to 35, the Greencastle Tiger Cubs returned home victims of a rampaging 65-31 Athenian victory.

Some hot shooting by Garfield (T.H.) coach's son, Davy Kirts, gave the visiting CHS team some close competition but a well balanced scoring attack led by Dickerson (16 points) outlasted the Purple Eagles by a 49-42 score

Bob Collins, *Indianapolis Star* sportswriter, watched CHS fight off a determined West Lafayette stall to a 45-34 win. He also saw Dickerson carried from the floor with an injured ankle, after he had become high point man with 13 points.

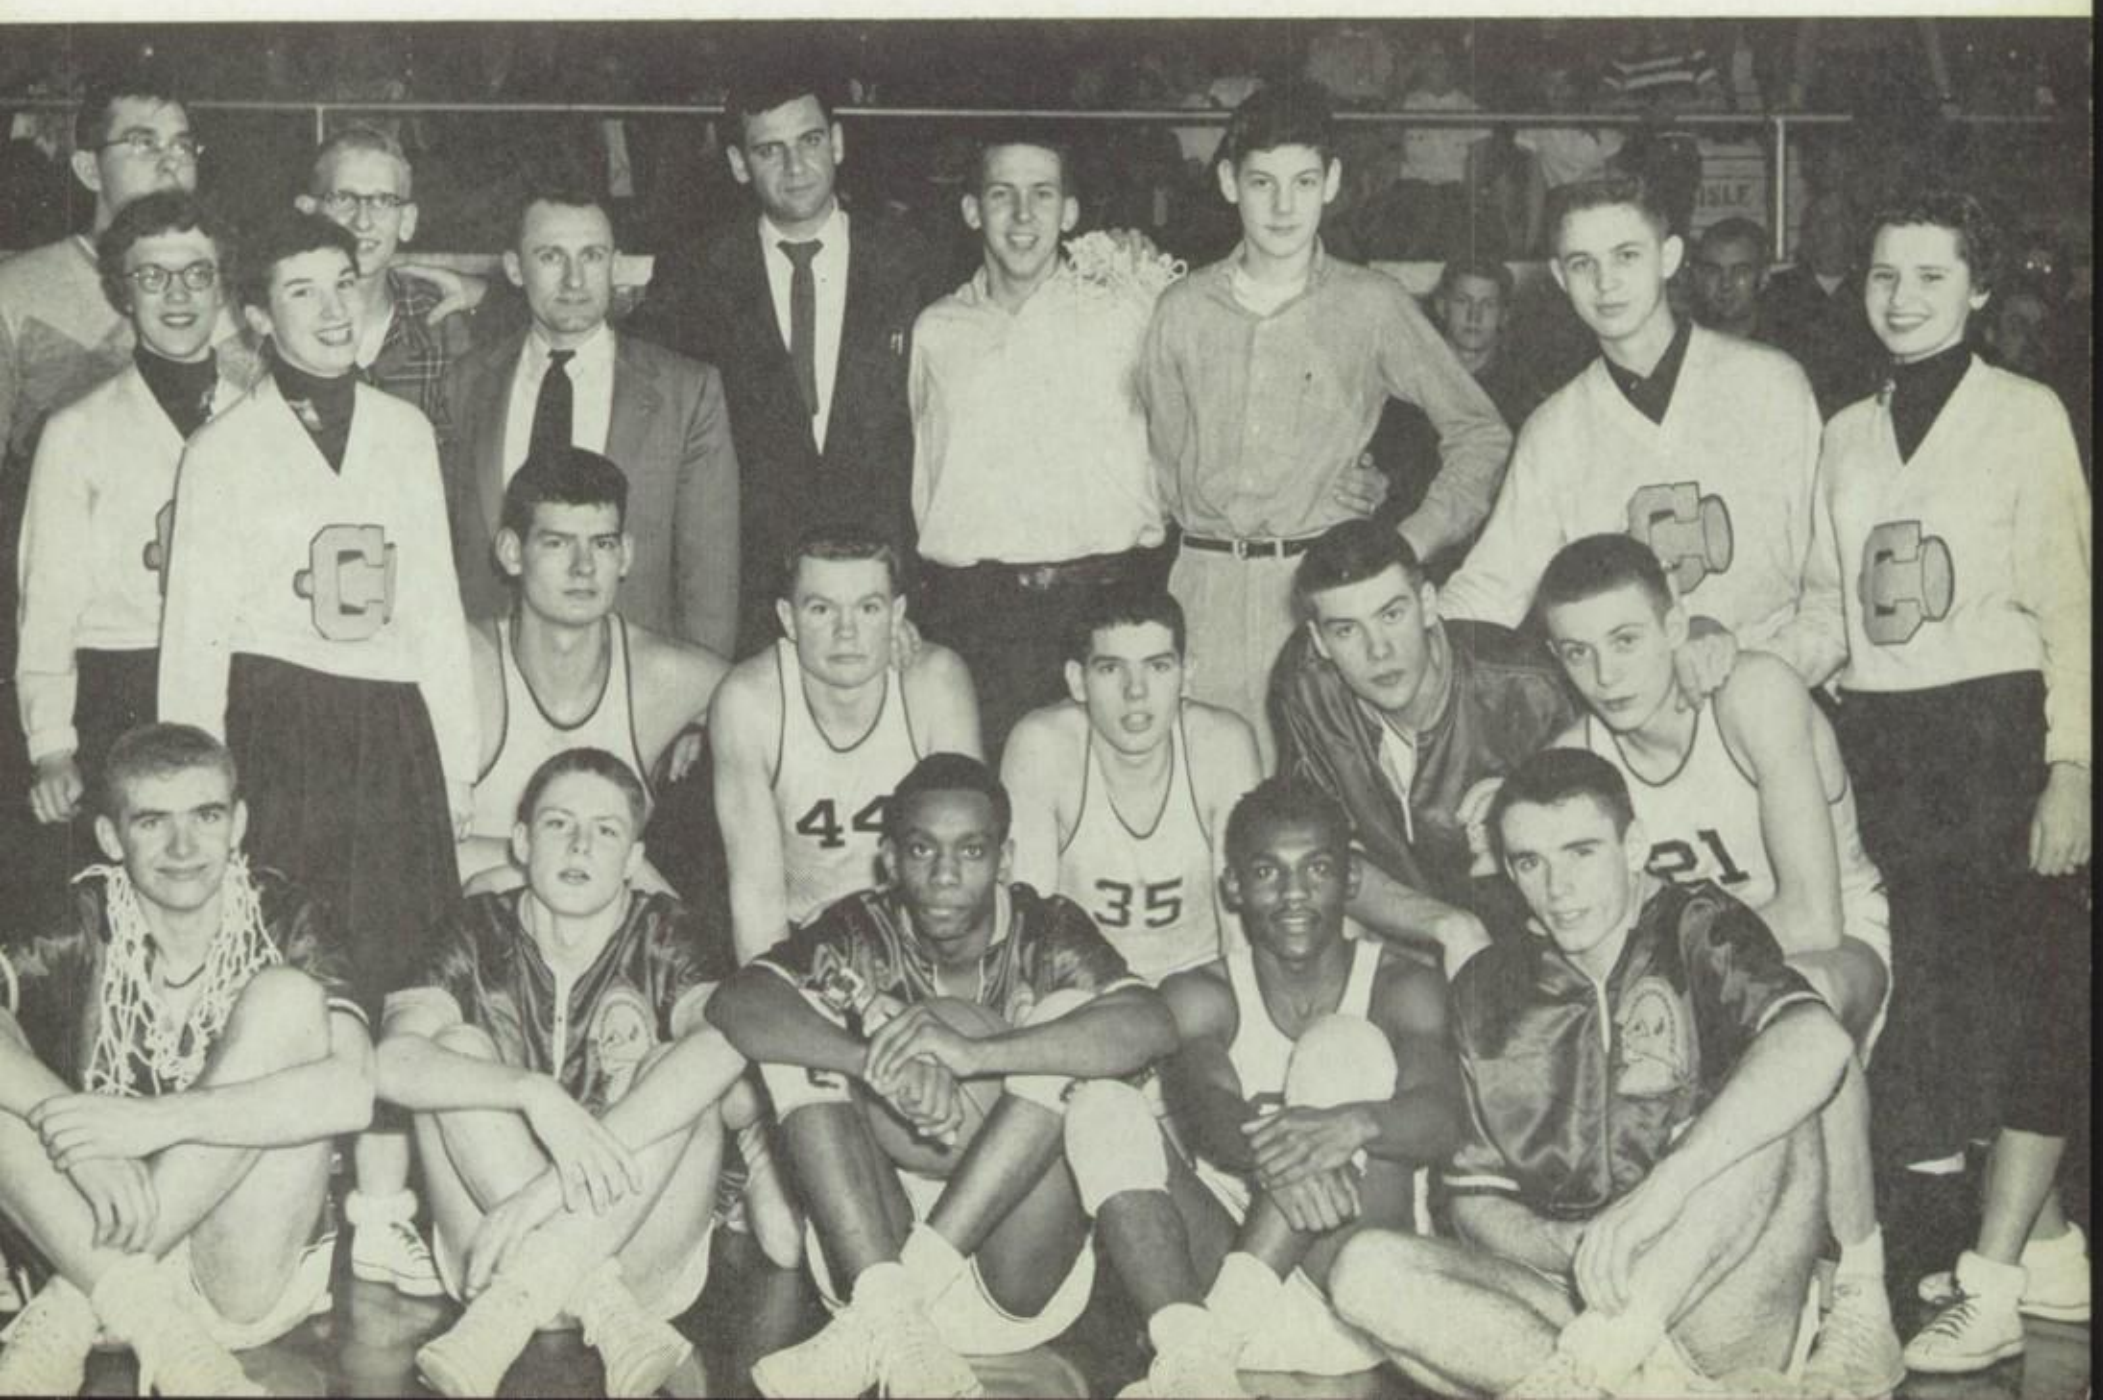
The game with Clinton relied heavily on Athenian bench strength, since Dickerson was disabled and Elmore had a temperature of over 100°. However Balch and Louie Lashley played their best games of the season scoring-wise with 22 and 10 points respectively. Added to 20 by Warren the Athenians ended the 1954 half of the season with a 65-46 Clinton sweep and a 8-1 record.

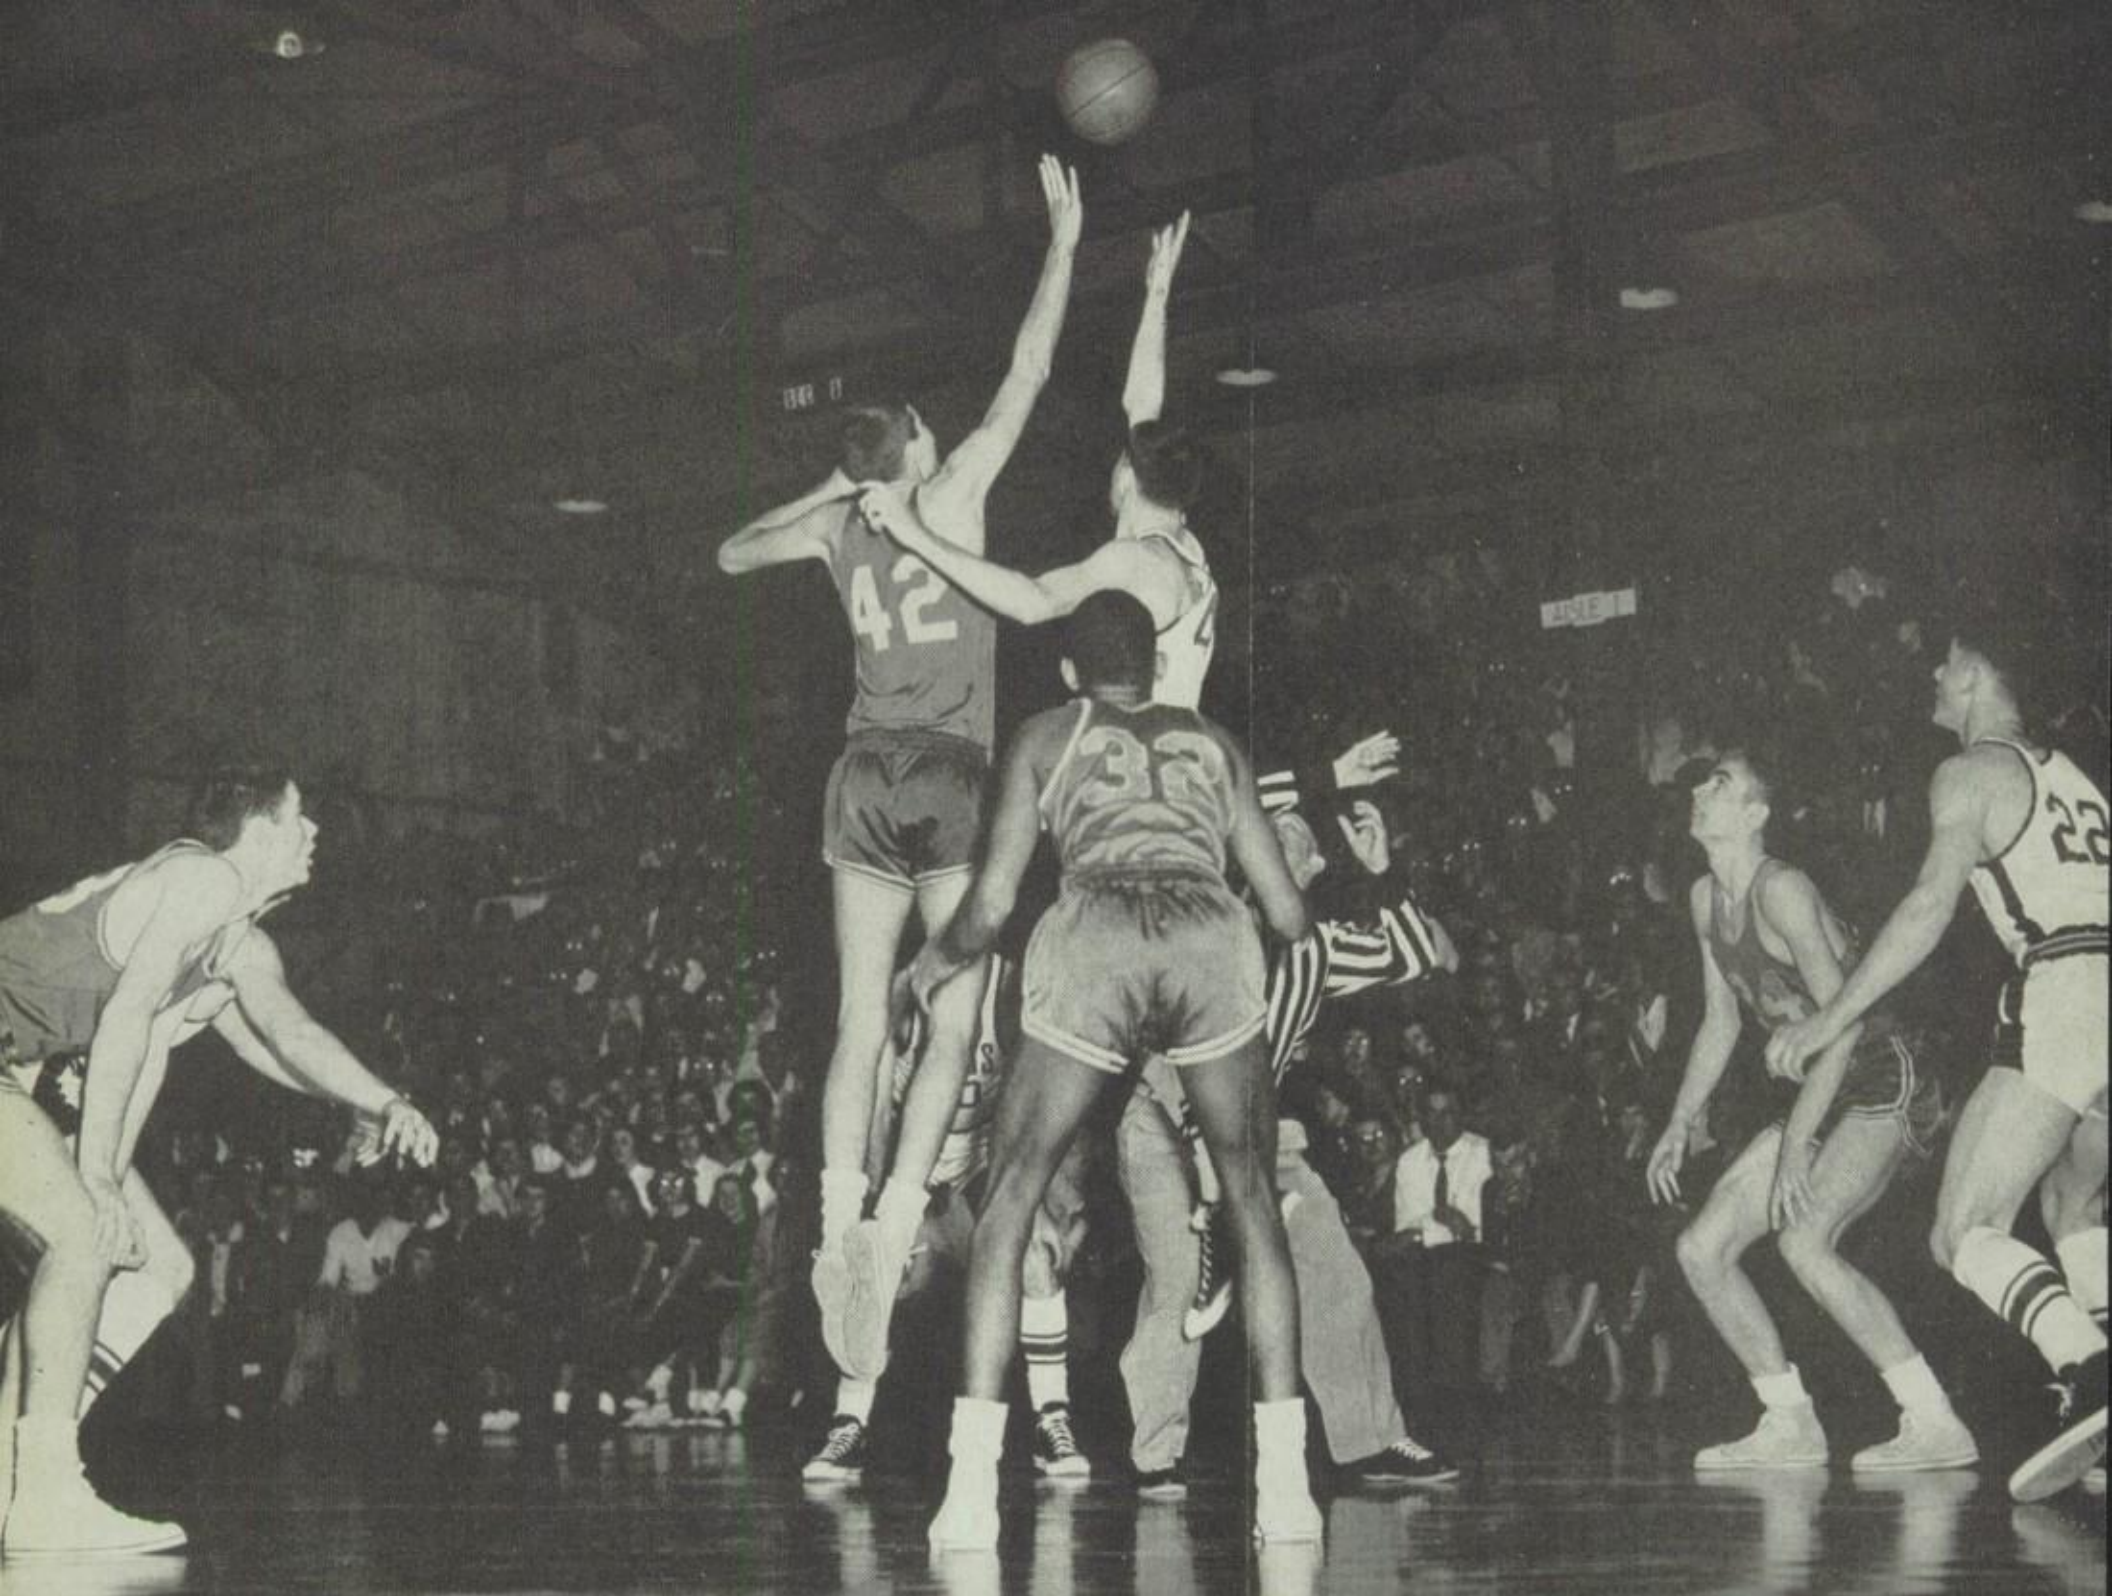
The holiday tourney gave CHS little competition. Tipton fell in the afternoon 67-47 and Noblesville was defeated by the Athenians for the second time in the season by 76-49. During the tourney Harry McCloud, playing in place of injured Bill Balch, played his two best games so far with 9 points in each game.

Warren (22), Elmore (16), McCloud (9), Lashley (9), and Royer (7) paced a still disabled Athenian squad to a 66-57 win over the Washington Continentals in a game which almost turned into a brawl. The Washington last quarter press caused the referees to go mad and the crowd followed suit.

A sudden sleet kept most of the CHS fans from following the team to Covington but the team brought back good news with them. At last Dickerson was back up to par. His 18

"FIRST SECTIONAL CROWN SINCE 1948!"





"32 Minutes Later—Regional Champs!"

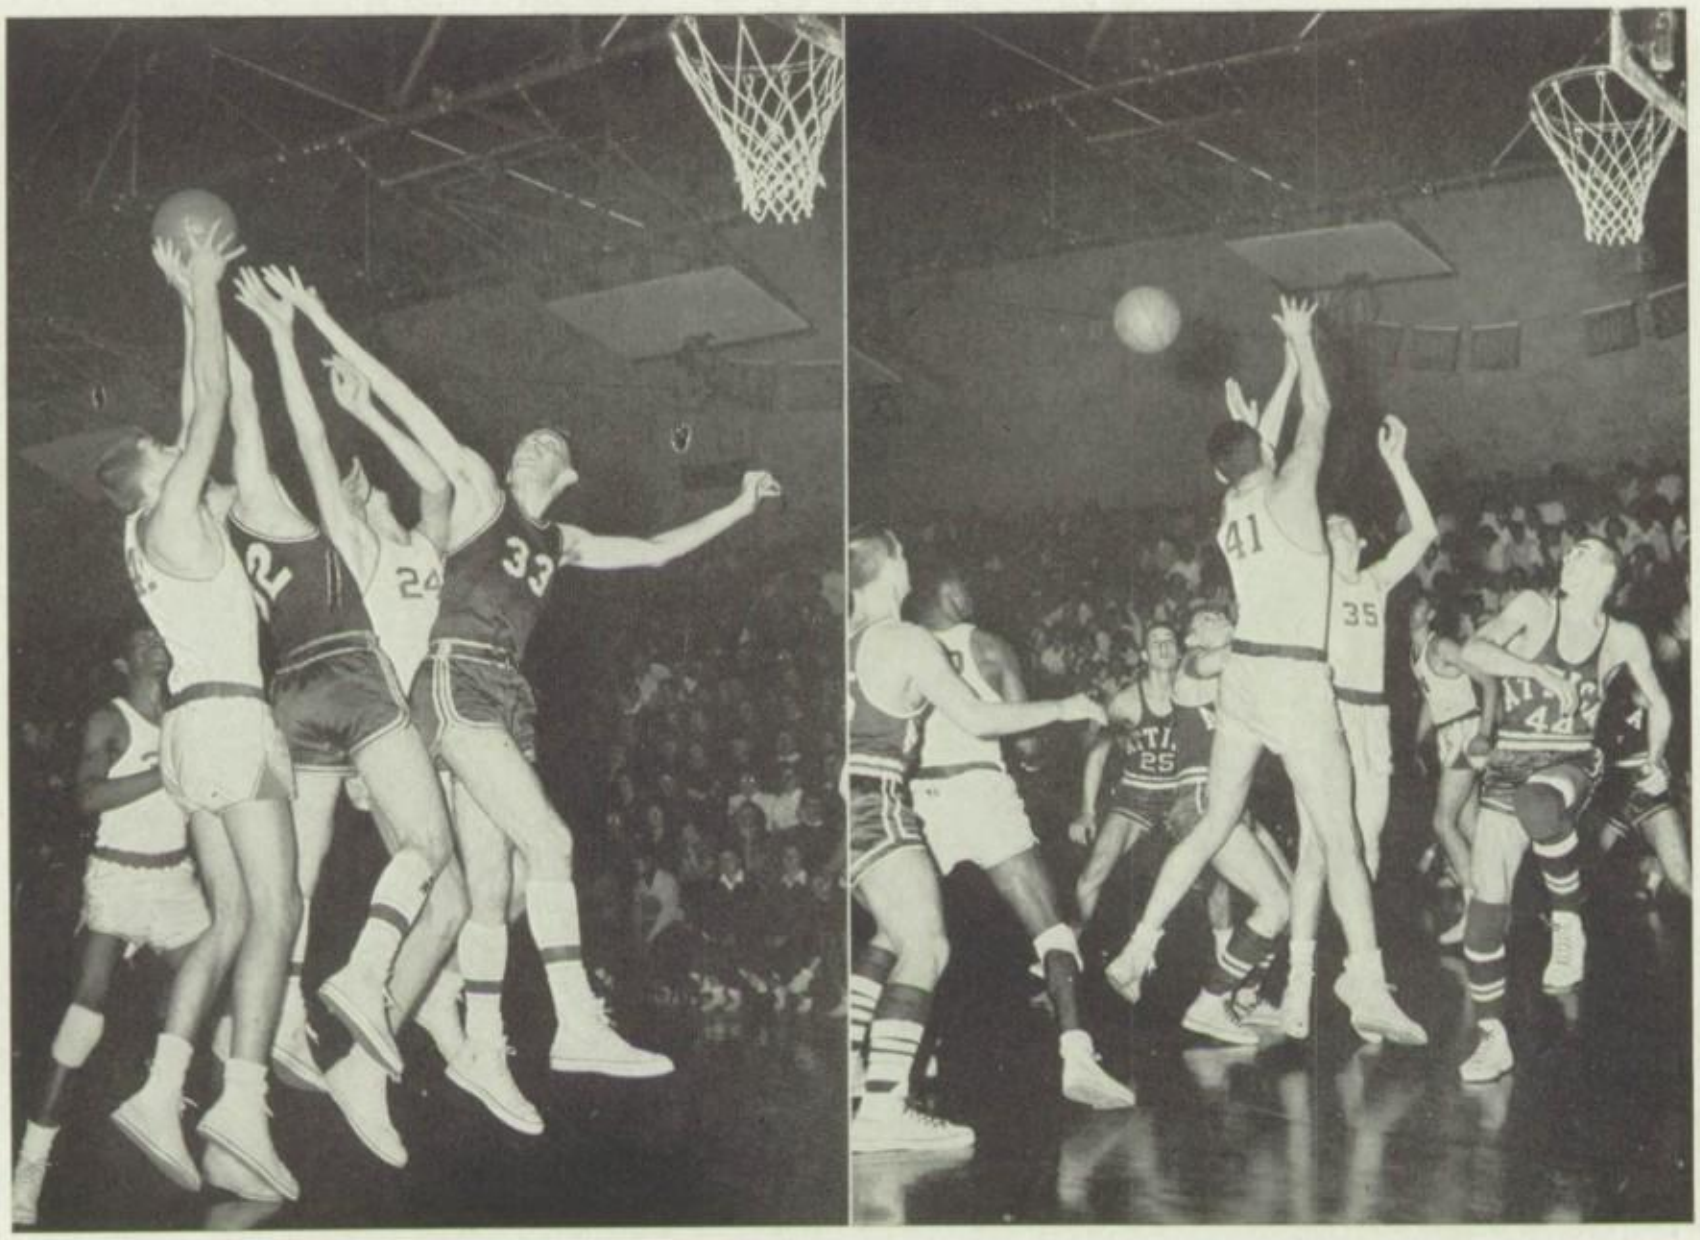
points, followed by 16 for Warren, made the final score 70-35.

With Warren, Balch, Elmore, Dickerson, Royer, and Lashley all scoring 8 points or over, revenge was made on the Ladoga Canners for a ten point licking CHS suffered last season. The score—71-56.

Thanks to some very close-calling referees and some red-hot Martinsville shooting, CHS won its closest game of the season on the Artesian floor 70-68. A total of 40 fouls were called, 23 on CHS, 17 on Martinsville. However Phil Warren's total of 29 offset the Martinsville rally.

The Athenians had too much Warren and an effective defense for the highly ranked Shortridge Blue Devils. Phil played his best game as far as scoring goes with 32 points while Shortridge "sparks" Meade and Loer were held to 15-9 respectively. This game secured a position for CHS in the AP rating

"Shooting Over a Mountain!"



Athenian Height—Balch 6'5", McCloud 6'9"—Astounds Ramblers

This ranking ranged from 13th to 10th during the remainder of the season.

The Attica ramblers, like most other CHS opponents, were unable to match Athenian rebounding and Phil Warren's shooting—the result 64-52 in favor of Crawfordsville. Warren hit 13 field goals for 26 points.

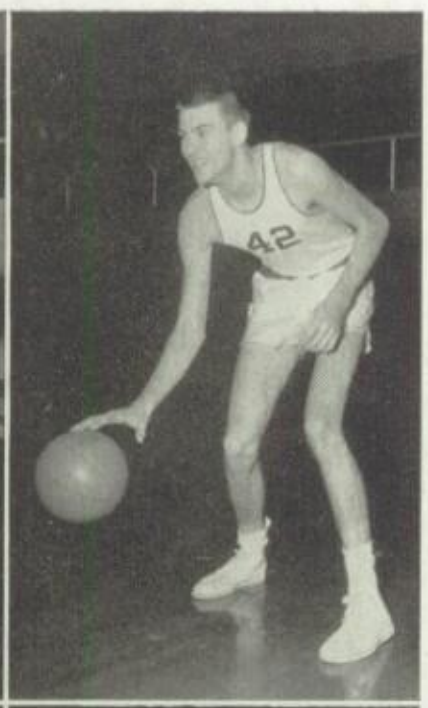
Jeff of Lafayette is always considered a tough foe for CHS. This year nearly 1200 fans and the Pep Band followed the team to their roughest game of the season against 7th ranked Jeff. After a 46-41 victory by CHS Corky Lamm of the *Indianapolis News* summed it up by saying "Athenians bite as loud as their bark." Warren hit 12 fielders and Dickerson sank 8 of 8 free throws.

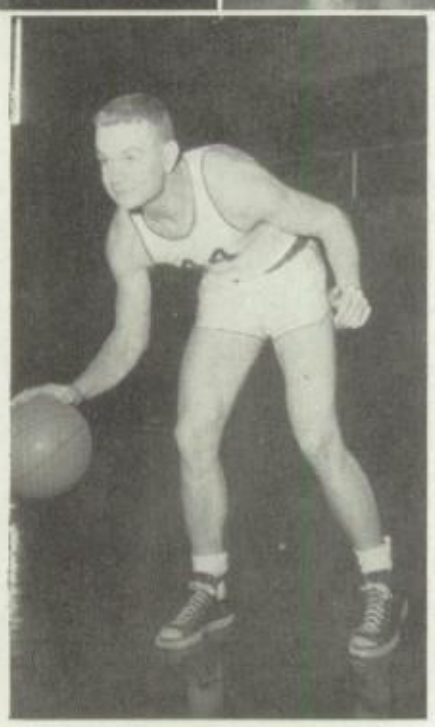
REVENGE was the theme song for the night of February 11. The Tigers from Lebanon again tried to stall but as the local fans stood and booed, then clapped, and finally cheered the great style of ball employed by the Tigers, the Athenians ran up a 49-33 score. Now CHS had defeated every team on their schedule

Only Tipton remained before tourney time. With a 22 point punch by Warren and some hot fourth quarter shooting from subs Burdett and Murphy, which gained them a position on the 10 man sectional team, the Athenians closed their amazing season with a 68-53 win over the Tipton team.

Coach John McCormick

SENIORS





With a season's record of 19 wins and 1 defeat, a 12th in the state ranking, and even a statement from *Indianapolis Star* sports-writer Max Greenwald that it would be "CHS in '55," the Athenians entered the local sectional as favorites—that is favorites as seen by outsiders. But to the students of CHS the sectional was a major obstacle. The drawings had matched the Athenians against the top three county teams, or any other team who could beat these three.

The victims of a 15 point defeat during the season, the Ladoga Canners were the first Athenian problem. However in championship style, which included a 29 point performance by Phil Warren, Ladoga was unable to stay in the running. The score—79-50.

The Ladoga victory put CHS in the semi-finals against defending champion New Ross. The Blue Jays held a 9-8 first quarter lead, but fell out of the contest in the second quarter as the Athenians outscored them 20 to 1. The final count read 74-39.

The Linden Bulldogs, who upset Waveland in the afternoon, gave CHS little competition as the Athenians succeeded in winning their first sectional crown in seven years Linden bowed 56-37.

The team and over 1000 CHS fans turned Covington into an Athenian victory camp the following Saturday. The local quintet pulled the first game with a stubborn Attica team out of the fire in the final quarter by a 46-29 score. A fast, hot-shooting, and once defeated Fillmore squad gave CHS a surprisingly small amount of trouble as height once again was the difference. The Athenians were in the Semi-Final for the first time since 1948 with a 58-42 regional victory over Fillmore.

GIVE me that ball!

"B" Team Yell Leaders

The hopes and the high-spirits of the city of Crawfordsville followed the team to Lafayette. "GO, GO, GO, ATHENIANS" signs were plastered in every store and on nearly every car. The team had a 22 game winning streak—longest in the entire sweet sixteen.

In the first game of the afternoon, CHS spirits fell hard; however, as Gary Roosevelt employed the very means by which the Atheans had won so many games—rebounding power. Along with amazing speed by the Panthers and one of CHS's worst shooting performances of the season, the Crawfordsville team walked off the floor for the last time—71-52. Gary Roosevelt went on to the final game of the state where they lost to the champs—Crispus Attucks.

Although CHS had seen only two losses during the entire 1954-55 season, the team and student body learned the most important thing. Under the leadership of Mr. Darst and Mr. DeWitt, victory had come humbly. And when we finally lost, we took it in our stride, for a better team had won. And yet always in the minds of the students of Crawfordsville High School, *our* team was the best!

LARRY THOMAS—Manager

TENNIS

Coach Jerry DeWitt's tennis squad entered the 1955 season with five seniors and one junior. The players in their proper order at the beginning of the season were: Bob Poore, Larry Dickerson, John Johnson, Corvin Pitcock, Fred Knox, and Jim Christy. However this lineup will probably vary during the season. Two-thirds of the schedule had been completed when the "ATHENIAN" was sent to the printers, and the tennis team was boasting an undefeated record. Only one other tennis squad in the school's history has had an undefeated season—Mr. Hoke's 1950 team—so Coach DeWitt's 1955 squad will be aiming at a chance to make it number two

GOLF

Coach Bob Hoke's golf squad entered the 1955 season as defending Indiana High School state champs and with a string of 35 straight duel meet victories. The four-man team was completely made up of underclassmen, so Athenian golf squads should still be tops in the state for the next few years. Positions on the team varied among Ronnie Royer, Bill Locker, Sam Haslam, Jon Summer, Mike Beemer, and Duke Ellington—all juniors. These boys will attempt to run the string to 46 straight duel meet wins for CHS (At the time the "ATHENIAN" went to press, the CHS foursome had already slaughtered their first nine opponents!)

WRESTLING

The 1954-1955 wrestling team built an impressive record of eight wins and two losses. Under the direction of Coach Bob Hoke, the Athenian grapplers tied for seventh place in the state tournament, after sailing through the Jeff sectional with "flying colors." Due to a lack of experienced wrestlers this year's team was expected to fall below the .500 mark. However the squad displayed good teamwork during the season, especially when they defeated the defending state champs, Southport. The only reason the Athenian wrestlers didn't place higher in the state tournament, after their impressive sweep of the Jeff sectional, was the absence of any individual stars on the team. Only four out of the nine boys who entered the state tournament at Bloomington placed a fourth or better. The four were Ed Scaggs, 2nd; Jake Elmore and John Foster, 3rd; and Fred Knox, 4th.

"Up and Over"

TRACK

Coach John McCormick's 1955 track team profitted greatly from the returning lettermen in some events, while a shortage of experienced trackmen plagued the remaining events.

Five senior lettermen bolstered the CHS track team and attempted to improve last year's marks. Paul Harden specialized in the shot put and ran the 100, 200 yard dashes and half-mile relay. John Horner helped out in the running events by specializing in the 880 yard run. John Foster pole vaulted for the team, while Bill Balch and Joe Allen ran the 440 and 100 yard dashes.

Underclassmen who looked promising for CHS's 1956 and 1957 seasons were Allen Harmon in the 440 yard dash, David Weir doing the high hurdles and high jump, and Danny Danforth in the mile run.

BASEBALL

Coach Bill Chase fielded a team at the beginning of the 1955 season whach was fairly well balanced as to experience. The only "weak spot" was the pitching staff. Senior "Doc" Vaught was unable to assume his duties as a pitcher until half way through the schedule, thus leaving most of the pitching work to Senior Phil Warren.

"B" TEAM

The "B" Basketball Team was coached by John McCormick and ended the 1954-55 season with a record of 11 wins and 7 losses. This group consisted of sophomores and juniors who needed experience before playing with the varsity. The "B" games were played with the "B" squads of other schools before each varsity game.

YELL LEADERS

The back-bone of the Pep Block were the four yell leaders elected in the spring of 1954 by the student body. Nancy Hawkins, Susie Cunningham, and Don Sperry were all seniors, while the fourth yell leader, Peggy Covey, represented the junior class.

Susie Cunningham began her yell leading in Tuttle Grade school and has been improving ever since. She has been a yell leader for every year since the sixth grade. Nancy Hawkins had a similar career as a yell leader. She first worked with the eighth grade basketball team as an energetic yell leader and became a varsity leader in her junior year. Don Sperry was elected to the position of varsity yell-leader with the three girls in the spring of 1954, but was stricken with polio during the summer. Although Don was unable to assume his job during the football season, he began working with the cheering section early in the basketball season. The pep and enthusiasm of the students was increased greatly when Don Sperry led yells for our team in spite of his handicap. The fourth member of the yell leading squad was Peggy Covey who blended in with the three seniors to lead the CHS student body through the various athletic events of the year.

Miss Stahr was responsible for many of the accomplishments of the yell leaders as she served as their faculty adviser.

PEP BLOCK

The Pep Block was originated by Dick Guyer in 1951 and were then known as the "Screamin' Demons." When Mr. Guyer moved to Indianapolis Howe, Miss Stahr took over as the Pep Block's adviser and director. The organization has grown from its small membership in the beginning to a record of 178 members during the 1954-1955 school year!

The group developed many new yells, and performed many yells with the aid of large cards, unusual motions, and so on. The members wore uniforms which varied during the season between white and blue shirts. White gloves were also employed by the Pep Block for an added effect.

The organization traveled to a few of the away games and attended all three tourneys in which Crawfordsville participated. During the sectional, regional, and semi-final the Pep Block was praised highly by observers from other schools for their excellent spirit and support of the basketball team.

Mr. DeWitt himself complimented the group by stating that a great deal of his team's success was due to the backing of the Pep Block!

"Program Notes"

Several years from now we'll see or hear little things that will bring back memories of C.H.S. in '55. Perhaps it will be a phrase of a popular song . . . a current cliche . . . or maybe an old Gold & Blue saved for some unremembered reason.

For instance, the juke box at the Ginger Boo blaring the catchy "Mr. Sandman" and "Hearts of Stone" . . . For a while knee socks were all the rage, but the boys soon hooted them down. . . . Pegged pants and pastel colors were sported by the "real kool kats" . . . Movie-goers were impressed with the powerful acting of Marlon Brando in *"On the Waterfront"* and by the lighthearted musical *"Seven Brides for Seven Brothers"* . . . Such George Gobelisms as "Well, I'll be a dirty bird!" became a standard part of everyone's vocabulary, as did "Somebody goofed!" . . . Some energetic souls still indulged in the Bunny Hop, but it was fading fast . . . "Shake, Rattle, and Roll" rocked the joint. . . . The auto designers really went wild with the new color combinations . . . Pink and black were the "cattiest" color combos . . . other weird hues were tangerine and heliotrope. . . . The blackboard in the lunchroom offered such thrilling statements as "You may have spaghetti added" . . . Mrs. Reddish started every time test with "Hands in place—type" . . . Remember Joe Friday's oft used theme "dum de dum dum" . . .

Crazy, aren't they? But they were all a part of our year. We'll never forget them.

Acknowledgements

When a yearbook is made up there are so many people who work on it that it is hard to know whom to thank the most. However, there are a few people who stand out from the rest, and we want to pay tribute to them.

Mr. Hutton, our photographer, is certainly high on the list of helpful workers. Our thanks also goes to Indianapolis Engraving Company, whose prompt and excellent service helped in making the Athenian possible. Howell-Goodwin Printing Company and R. R. Donnelley and Sons Company receive our gratitude for printing and binding the book.

Two important people remain—our advisors, Mrs. Strum and Mr. Weiss. They helped us plan and execute our ideas, and when things went wrong they helped us work out a solution.

The Athenian has required much time and hard work, but we finish our labors with regret. It has been an enjoyable experience.

The Staff.
